**DEBTORS' MOTION FOR AN ORDER SETTING A  
FINAL DATE TO FILE PROOFS OF CLAIM AND  
APPROVING RELATED NOTICE PROCEDURES**

Solutia Inc. ("Solutia") and certain of its affiliates, as debtors and debtors in possession (collectively, the "Debtors"), seek entry of an order fixing the time period within which proofs of claim against the Debtors must be filed and approving certain related notice procedures. In support of this Motion, the Debtors respectfully represent as follows:

## **JURISDICTION AND VENUE**

1. This Court has jurisdiction over the subject matter of this Motion pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding under 28 U.S.C. § 157(b). Venue is proper in this District pursuant to 28 U.S.C. §§ 1408 and 1409. The predicates for the relief requested herein are Rules 2002 and 3003 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules").

## **GENERAL BACKGROUND**

2. On December 17, 2003 (the "Petition Date"), each of the Debtors filed a petition with this Court under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1330 (the "Bankruptcy Code"). The Debtors are operating their businesses and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in these chapter 11 cases. On January 6, 2004, the Office of the United States Trustee appointed the official committee of unsecured creditors (as constituted pursuant to an amended appointment on January 21, 2004, the "Creditors' Committee"). Pursuant to the Bankruptcy Rules, the Debtors' chapter 11 cases are being jointly administered for procedural purposes.

3. The Debtors and their wholly owned nondebtor foreign subsidiaries (collectively, the "Solutia Group") are a multinational corporate organization that manufactures and sells high-performance chemical-based materials for industrial and consumer use. Solutia, a publicly owned company, is the direct or indirect parent corporation of each of the other members of the Solutia Group. The Solutia Group is a world leader in the development and manufacture of three main product lines with diverse and worldwide applications: performance films, chemical products and nylon products.

4. As of the Petition Date, the Solutia Group operated 29 manufacturing plants worldwide – including 18 sites in North America, ten sites in Western Europe and one site in South America – and had sales offices, research laboratories and technical centers spanning the globe.

5. For the six months ended June 30, 2004, the Solutia Group's consolidated net sales were approximately \$1.3 billion, following on consolidated net sales for 2003 of approximately \$2.4 billion. As of June 30, 2004, the Solutia Group had approximately \$2.2 billion in assets and \$3.5 billion in liabilities on a consolidated basis.

#### **RELIEF REQUESTED**

6. By this motion, the Debtors seek entry of an order (the "Bar Date Order") fixing November 29, 2004 at 5:00 p.m. (Prevailing Eastern Time) (the "Bar Date") as the last date and time that proofs of claim against the Debtors must be filed, and approving the form and manner of notice thereof.

#### **BASIS FOR RELIEF REQUESTED**

##### **A. The need to establish a Bar Date**

7. Bankruptcy Rule 3003(c)(3) provides that the Court shall fix the time within which proofs of claim must be filed in a chapter 11 case pursuant to section 501 of the Bankruptcy Code. The circumstances of the Debtors' chapter 11 cases justify the fixing of the Bar Date at this time. On March 2, 2004, the Debtors filed their schedules and statements of financial affairs with the Clerk of this Court and are in the process of finalizing amendments to certain of the Debtors' schedules and statements of financial affairs (collectively, as amended, the "Schedules"), which the Debtors expect to file with the Clerk of this Court before

September 28, 2004 (the hearing date for this Motion).<sup>1</sup> The Debtors developed a business plan and are currently working toward formulating their respective chapter 11 plans of reorganization. In order to continue their progress in the plan process and to prepare a disclosure statement containing adequate information, the Debtors must ascertain the nature, extent and scope of the claims asserted against each of them.

8. To establish a uniform procedure for submission and processing of claims that will facilitate this process, the Debtors propose that each person or entity that asserts against any of the Debtors a claim (as defined in section 101(5) of the Bankruptcy Code) that arose before the Petition Date be required to file an original, written proof of that claim, substantially in the form of the proof of claim annexed hereto as Exhibit A or Official Form No. 10. The Debtors further propose that all proofs of claim be required to be received on or before the Bar Date by The Trumbull Group, LLC ("Trumbull"), the claims and noticing agent retained in these chapter 11 cases.<sup>2</sup> If proofs of claim are not received by Trumbull by the Bar Date, the Debtors propose that the holders of the underlying claims be barred from asserting such claims against the Debtors, as more fully discussed in paragraph 26 below. The Debtors propose that all proofs of claim should be delivered to Trumbull by first-class mail, overnight delivery or hand delivery at the following addresses:

---

<sup>1</sup> The Debtors' amendments to their schedules and statements of financial affairs will reflect additional information that has become available to them after March 2, 2004, including, for example, certain invoices, lien notices and payment credits related to the prepetition period that were received and processed by the Debtors after the original schedules were filed. The amendments will supplement the Debtors' schedules and statements of financial affairs, as originally filed, by adding, modifying or removing claims listed thereon.

<sup>2</sup> By order dated December 18, 2003, this Court authorized the retention of Trumbull to provide such services.

<b>Mailing</b>	<b>Overnight Delivery/Hand Delivery</b>
Solutia Inc. c/o Trumbull Group, LLC PO Box 5019, Bowling Green Station New York, NY 10274-5019	Solutia Inc. c/o Trumbull Group, LLC Southern District of New York One Bowling Green, Room 534 New York, NY 10004-1408

9. The Debtors propose that only **original** proofs of claim will be deemed acceptable for purposes of claims administration, such that Trumbull will *not* accept proofs of claim sent by facsimile or telecopy, and that proofs of claim will be deemed timely filed only if the original is *actually received* by Trumbull on or before the **Bar Date**.

#### **B. The Bar Date**

10. The Debtors request that **November 29, 2004 at 5:00 p.m.** (Prevailing Eastern Time) be established as the Bar Date. This **date** will allow the Debtors a short time for coordination of the mailing and publication of the various notices of the Bar Date, as described in section E below,<sup>1</sup> and thereafter a **minimum of 40 days** for creditors to file proofs of claim against the Debtors. The Debtors believe **this time period**, which is longer than (a) the 20-day period prescribed by Bankruptcy Rule 2002(a)(7) for notice of the last day to file claims and (b) the 35-day and 25-day periods for the **mailing** and publishing of bar date notices prescribed by this Court's General Order M-279 -- **Adoption of Procedural Guidelines for Filing Requests for Bar Orders** ("General Order M-279"), is **appropriate** given the size and complexity of the Debtors' chapter 11 cases.

---

<sup>1</sup> The Debtors expect to mail and publish **all Bar Date** notices described herein within ten days and 20 days, respectively, after the **date of entry** of the Bar Date Order.

**C. Exclusions from the Bar Date**

11. There are several categories of claimants who, as a matter of law, procedure or ease of administration, should not be required to file proofs of claim or interests at this time. The Debtors therefore request that persons or entities holding claims or interests in the following categories be excluded from having to file proofs of claim or interest by the Bar Date:

- (a) claims that were listed in the Schedules, but only if (i) the Schedules did *not* list those claims as "contingent," "unliquidated" or "disputed" *and* (ii) the holder of the claim does not dispute the Schedules' description of the amount or classification of the claim or the Debtor that is identified as owing the claim;
- (b) claims for which a proof of claim already has been filed with the Clerk of the United States Bankruptcy Court for the Southern District of New York in a form substantially similar to Official Bankruptcy Form No. 10, against the correct Debtor;
- (c) claims paid in full by any of the Debtors during these chapter 11 cases as authorized by order of the Court;
- (d) claims of current employees of any of the Debtors, to the extent that the Debtors were authorized by the Court to honor those claims in the ordinary course of their business such as for wages and benefits; *provided* that current employees must file proofs of claim by the Bar Date for all other claims arising before the Petition Date against the Debtors including claims for wrongful termination, discrimination and claims covered by the Debtors' workers' compensation insurance;
- (e) claims of retired employees of Monsanto or any of the Debtors for retirement benefits, including medical, surgical or hospital care benefits, or benefits in the event of sickness, accident, disability or death under any plan, fund or program (through the purchase of insurance or otherwise) maintained or established in whole or in part by the Debtors before the Petition Date;
- (f) claims related to or under the Solutia Inc. Employees' Pension Plan;
- (g) claims allowable under sections 503(b) and 507(a)(1) of the Bankruptcy Code as expenses of administration, including claims for goods and services provided to, and accepted by, the Debtors after the Petition Date;
- (h) claims which are based exclusively upon principal, interest and other applicable fees and charges on or under the (a) 6.72% Debentures under an Indenture, dated October 1, 1997, (b) 11.25% Senior Secured Debentures under an Indenture, dated July 9, 2002, (c) 7.375% Debentures under an Indenture, dated October 1,

1997 and (d) Bank Credit Agreement, dated October 8, 2003 (collectively, the "Debt Instruments"); *provided that* (i) the foregoing exclusion will not apply to the indenture trustee or designated agent under any of the Debt Instruments or related documents, (ii) any indenture trustee or designated agent under any of the Debt Instruments or related documents will be required to file a proof of claim on account o claims for the repayment by the Debtors of principal, interest and other applicable fees and charges on or under the Debt Instruments, (iii) any person or entity that wishes to assert a claim arising out of or relating to a Debt Instrument, other than a claim for the repayment by the Debtors of principal, interest and other applicable fees and charges on or under the Debt Instrument, will be required to file a proof of claim, unless another exception herein applies and (iv) any indenture trustee or designated agent under any of the Debt Instruments or related documents will only be required to file proofs of claim asserting claims for the repayment of principal, interest and other applicable fees and charges on or under the applicable Debt Instruments or against the chapter 11 estates of the Debtor(s) that is (are) the primary obligor(s) on the underlying debt, and if such proof of claim identifies the Debtors, together with their respective chapter 11 case numbers, that are guarantors or otherwise secondary obligors under the applicable Debt Instruments, that proof of claim will be deemed to have been filed against the chapter 11 estate of each guarantor or secondary obligor;

- (i) claims of one Debtor against any of the other Debtors;
- (j) claims of any direct or indirect non-debtor subsidiary of Solutia Inc. against any of the Debtors; and
- (k) equity interests, which interests are based exclusively upon the ownership of common or preferred stock in a corporation, a general or limited partner interest in a limited partnership, a membership interest in a limited liability company or warrants or rights to sell or subscribe to such security or interest (any such interest being referred to as an "Interest"); *provided that* holders of Interests who wish to assert a claim against any of the Debtors that arises out of or relates to the ownership or purchase of an Interest, including claims arising out of or relating to the sale, issuance or distribution of the Interest, must file a proof of claim on or prior to the Bar Date, unless another exception set forth herein applies.

#### **D. Identification of known creditors**

12. As set forth in more detail below, the Debtors propose to mail notice of the Bar Date only to their known creditors, and they propose to rely on publication to give notice to their unknown creditors. This is consistent with applicable case law and practice in this district. See *Mullane v. Central Hanover Bank and Trust Co.*, 399 U.S. 306 (1950). To determine the adequacy of the notice given to a creditor, bankruptcy law distinguishes between known and

unknown creditors. "An 'unknown' creditor is one whose 'interests are either conjectural or future or, although they could be discovered upon investigation, do not in due course of business come to knowledge [of the debtor].'" *See id.* at 317. Notice by publication is sufficient to give adequate notice of the Bar Date to unknown creditors. *See Grant v. U.S. Home Corp. (In re U.S.H. Corp. of New York)*, 223 B.R. 654, 659 (Bankr. S.D.N.Y. 1998) (explaining that constructive notice is sufficient for unknown creditors).

13. Where a creditor is known to the debtor, due process requires that the debtor must take reasonable steps, such as direct mailing, to provide actual notice of the deadline for filing of proofs of claim. Specifically, a debtor must undertake "reasonably diligent efforts" to uncover the identities and claims of known creditors. *In re Brooks Fashion Stores, Inc.*, No. 92-Civ – 1571, 1994 U.S. Dist. LEXIS 4779, \*5 (S.D.N.Y. April 14, 1994). But this does not require the debtor to engage in "impracticable and extended searches . . . in the name of due process." *See Mullane v. Central Hanover Bank and Trust Co.*, 399 U.S. at 317; *Brooks Fashion Stores, Inc.*, 1994 U.S. Dist. LEXIS 4779, at \*5. Rather, the required search is limited to a debtor's "books and records." *See, e.g., In re XO Communications*, 301 B.R. at 793 (citing *Chemetron Corp. v. Jones*, 72 F.3d 341, 347 (3d. Cir. 1995), cert. denied, 517 U.S. 1137 (1996)). "A debtor is not required to search elsewhere for those who might have been injured . . . and cannot be required to provide actual notice to anyone who potentially could have been affected by their actions; such a requirement would completely vitiate the important goal of prompt and effectual administration and settlement of debtors' estates." *Grant v. U.S. Home Corp.*, 223 B.R. at 659.

14. A known creditor is a creditor whose name and address is reasonably ascertainable. *See Tulsa Prof'l Collection Servs. Inc. v. Pope*, 485 U.S. 478, 484 (1988) (holding that actual notice only is required where the "name and address [of the claimant] are reasonably

ascertainable"); *Fogel v. Zell*, 221 F.3d 955, 963 (7th Cir. 2000) (same); *Waterman Steamship Corp. v. Aguiar (In re Waterman Steamship Corp.)*, 157 B.R. 220, 221 (S.D.N.Y. 1993) (same). As such, the Debtors propose only to provide **actual** notice to known creditors at their respective last known address.

15. To ascertain all of their "**known**" creditors, the Debtors have undertaken a careful examination of their books and records and **all** aspects of the businesses they currently own and operate. The Debtors also investigated **claims that** may have arisen from (a) sites formerly owned by the Monsanto Company or **Pharmacia Corporation** (together, for purposes of this Motion, "**Monsanto**") that were sold to **third parties**, (b) sites where the Debtors or Monsanto may have disposed of hazardous waste, (c) **state and** federal superfund sites at which a Debtor or Monsanto was identified as a potentially **responsible** party, (d) facilities owned or operated by affiliates of the Debtors, (e) facilities the **Debtors** formerly owned or operated and (f) sites never owned by the Debtors or Monsanto where **third parties** have alleged that the Debtors or Monsanto may have manufactured, sold, **distributed**, and/or permitted the use and/or discharge into the environment of certain contaminants (**collectively**, with the businesses the Debtors currently own and operate, the "**Plant and Disposal Sites**"). Accordingly, the Debtors believe they have identified all creditors that are **reasonably** ascertainable and, hence, known creditors.

**E. Procedures for providing notice of the Bar Date**

16. The Debtors propose the **procedures** below for providing mailing and publication notice of the Bar Date. The Debtors' **proposed Bar Date** notices follow, in form and substance, the form of notice attached to General Order M-279, as adapted where appropriate for the circumstances of these chapter 11 cases.

(a) Mailing of general and site-specific Bar Date notices

17. The Debtors propose to mail written notice of the Bar Date, substantially in the form annexed hereto as Exhibit B (the "General Bar Date Notice"), a proof of claim form and an instruction sheet for preparing and filing such form (collectively, the "General Bar Date Package") to the following entities:

- (a) the United States Trustee for the Southern District of New York;
- (b) counsel to the Creditors' Committee;
- (c) counsel to the official committee of retirees;
- (d) counsel to the official committee of equity security holders;
- (e) counsel to the agents for the Debtors' postpetition secured bank lenders;
- (f) the indenture trustee or fiscal agent for each of the public debt securities issued or guaranteed by the Debtors;
- (g) the labor organizations that are party to collective bargaining agreements with the Debtors;
- (h) counsel to any ad hoc committees for the public debt securities issued or guaranteed by the Debtors;
- (i) Pharmacia Corporation;
- (j) Monsanto Company;
- (k) the Securities and Exchange Commission;
- (l) the Internal Revenue Service;
- (m) those parties who have formally appeared and requested service in these cases pursuant to Bankruptcy Rule 2002 as of the date of entry of the Bar Date Order;
- (n) all persons or entities that have filed proofs of claim against the Debtors as of the date of entry of the Bar Date Order;
- (o) all persons or entities listed in the Debtors' Schedules as a holder of a claim against any Debtor or as a party to an executory contract with any Debtor, using the last known address; and
- (p) all other known holders of claims as of the date of entry of the Bar Date Order, using the last known address.

18. To provide due and proper notice of the Bar Date to "street name" holders (the "Street Name Holders") of the Debtors' public debt securities and the Debtors' public equity securities as of the Petition Date, the Debtors, intend to provide nominee record holders, such as brokerage firms and clearing houses, that hold on behalf of Street Name Holders with sufficient

copies of the General Bar Date Package to **enable** these record holders to distribute a General Bar Date Package to each and every Street Name Holder. To assist the Debtors and these record holders in the distribution of General Bar Date Packages to Street Name Holders, the Debtors intend to engage Financial Balloting Group LLC ("FBG"), a consulting firm that is an expert in the management and coordination of such distributions.<sup>2</sup> The Debtors submit that they should not be required to provide actual notice to **any holder** of the Debtors' public debt securities or the Debtors' public equity securities if the holder **obtained** an interest in such public debt securities or public equity securities after the Petition Date.

19. In addition, in an effort to **ensure that** the Debtors' known creditors who may have environmental or asbestos claims related to **the Plant** and Disposal Sites receive sufficient notice of the Bar Date's applicability to their claims, **the Debtors** propose to provide these creditors with a supplemental notice that focuses special **attention** on site-related environmental and asbestos claims. Specifically, if any known creditor of **the Debtors** is located within a 35 mile radius of any of the Plant and Disposal Sites (based **upon the** creditor's mailing address as listed in the Debtors' books and records), the Debtors **propose to** include a site-specific bar date notice designed to provide further information **regarding the** Plant or Disposal Site (a "Site-Specific Mailing Notice") in that creditor's General **Bar Date** Package.<sup>3</sup> The Debtors believe that providing Site-Specific Mailing Notices to **known** creditors located near the Plant and Disposal

---

<sup>2</sup> Contemporaneously herewith, the Debtors **filed** their Application for an Order Approving the Retention of Financial Balloting Group LLC as Special Noticing, Balloting and Tabulating Agent, Nunc Pro Tunc to August 23, 2004.

<sup>3</sup> A generalized form of the proposed Site-Specific Mailing Notice is annexed hereto as Exhibit C, and site-tailored notices, which **substantially** reflect the actual Site-Specific Mailing Notices that will be mailed, **are annexed** hereto as Exhibit D.

Sites, as described above, is reasonable and will be sufficient to provide notice to any known creditors that may have environmental or asbestos claims against the Debtors.

20. There also are approximately 30 PCB actions and 570 asbestos actions (involving an estimated 3,500 to 4,500 plaintiffs) pending against Monsanto, for which it has sought indemnity from Solutia or in which Solutia is a joint defendant. In addition, Solutia is defending approximately 90 general and product liability claims that were brought against Pharmacia Corporation.

21. The Debtors do not have personal information for many of the plaintiffs in these lawsuits (the "Represented Litigation Claimants"), who are represented by counsel in the litigation. Specifically, due to the manner in which certain of these alleged claims are handled by plaintiffs' counsel, the Debtors do not have, and cannot reasonably obtain, the name and address of each individual Represented Litigation Claimant. Indeed, the Debtors' books and records reflect only the counsel of record for each of the Represented Litigation Claimants, and all communication regarding the Represented Litigation Claimants and their pending lawsuits has been through and with such counsel of record.

22. The mailing of Bar Date notices to the Represented Litigation Claimants in accordance with the procedures herein will reduce the administrative and economic burdens placed on the Debtors and will not adversely affect the rights of the Represented Litigation Claimants because they will receive notice of the Bar Date through their counsel of record in their respective lawsuits. Under these circumstances, the Debtors believe that giving notice of the Bar Date to the counsel of record for the Represented Litigation Claimants for whom the Debtors lack personal information, will constitute sufficient notice of the Bar Date and is appropriate and warranted.

23. After the initial mailing of the **Bar Date** notices, the Debtors anticipate that it may be appropriate to make supplemental mailings of notices in a number of situations, including in the event that (a) notices are returned by the post office with forwarding addresses,<sup>4</sup> (b) certain parties acting on behalf of parties in interest (e.g., banks and brokers with respect to bondholders and equity holders) decline to pass along notices to these parties and instead return their names and addresses to the Debtors for direct mailing and (c) additional potential claimants become known as the result of the Bar Date noticing process. In this regard, the Debtors request that the Court permit them to make supplemental mailings of Bar Date notices in these and similar circumstances at any time up to 23 days in advance of the Bar Date, with any such mailings being deemed timely and the Bar Date being applicable to the recipient creditors. The Debtors believe that these proposed supplemental mailings will help them provide actual notice to known creditors wherever practicable, while at the same time preserving the integrity of the Bar Date, reducing the number of any supplemental bar dates that may need to be established (see section L below), facilitating the claims resolution process and easing the administrative burden on the Debtors.

(b) Publication of general and site-specific Bar Date notices

24. Given the nationwide scope of their businesses, the Debtors propose to give notice of the Bar Date by publication, as provided in Rule 2002(l) of the Bankruptcy Rules, to creditors to whom notice by mail is impracticable including creditors who are unknown or not reasonably ascertainable by the Debtors and creditors whose identities are known but whose addresses are unknown by the Debtors. Specifically, the Debtors propose to publish the General

<sup>4</sup> However, if notices are returned as "return to sender" without a forwarding address, the Debtors should not be required to mail additional notices to such creditors.

Bar Date Notice, substantially in the form annexed hereto as Exhibit E, (the "General Bar Date Publication Notice") both nationally and locally in the newspapers and periodicals listed on Exhibit F.

25. In addition, to ensure that unknown creditors who may have environmental or asbestos claims related to the Plant and Disposal Sites receive sufficient notice of the Bar Date, the Debtors intend to supplement the general publication notice described above with site-specific Bar Date notices that, like the Site-Specific Mailing Notices, focus special attention on potential environmental and asbestos claims related to the Plant and Disposal Sites. Specifically, the Debtors propose to publish site-specific Bar Date notices (the "Site-Specific Publication Notices") in newspapers and periodicals within the towns and cities<sup>5</sup> where the Plant and Disposal Sites are located, as indicated on Exhibit I.<sup>6</sup> The applicable Site-Specific Notice will appear adjacent to the General Bar Date Publication Notice in each relevant publication. The Debtors believe that publication of Site-Specific Publication Notices in this manner in the areas around the Plant and Disposal Sites is reasonably calculated to provide sufficient notice to any unknown creditors who may have environmental or asbestos claims against the Debtors related to the Plant and Disposal Sites.

---

<sup>5</sup> If a Plant or Disposal Site spans two towns or cities or is very close to the border of a town or city, the Debtors propose to publish notices in both areas. However, the Debtors do not intend to publish Site-Specific Publication Notices outside of the county where any given Plant or Disposal Site is located. The Debtors will make every effort to avoid publications with duplicative circulations but, in order to make sure certain areas related to Plant or Disposal Sites are fully covered, some amount of overlap will be unavoidable.

<sup>6</sup> A generalized form of the proposed Site-Specific Publication Notice is annexed hereto as Exhibit G, and site-tailored notices, which substantially reflect the actual Site-Specific Publication Notices that will be published, are annexed hereto as Exhibit H.

**F. Consequences of failure to file a proof of claim**

26. Pursuant to Bankruptcy Rule 3003(c)(2), the Debtors request that the Bar Date Order specifically provide that any holder of a **claim** against one or more of the Debtors, including any environmental or asbestos **claim related** to the Plant and Disposal Sites, who is required to file a proof of claim on or before **the Bar Date** or any supplemental bar date established pursuant to section L below, **but fails to** do so, will be forever barred, estopped and enjoined from asserting such claim against **such Debtor** (or filing a proof of claim with respect thereto), and the applicable Debtor and its **estate and** property will be forever discharged from any and all indebtedness or liability with **respect to** such claim, and such holder will not be permitted to vote to accept or reject any **plan of reorganization** or participate in any distribution in such Debtor's chapter 11 case on account of **such** claim or to receive further notices regarding such claim.

**G. Amendment to Schedules**

27. If the Debtors amend the **Schedules** after having given notice of the Bar Date, the Debtors propose to give notice by first-class **mail of** any amendment to the holders of claims affected thereby, and propose that the **deadline for** those holders to file proofs of claim, if necessary, be set as the later of (a) the **Bar Date** or (b) 30 days from the date that notice of the Schedule amendment is given (or another **time period** as may be fixed by the Court).

**H. Executory contracts**

28. The Debtors anticipate that **certain** creditors may assert claims in connection with future motions by the Debtors to reject **executory contracts** and unexpired leases pursuant to section 365 of the Bankruptcy Code. In **this regard**, the Debtors propose that any holder of a claim arising from the rejection of an **unexpired lease** or executory contract of a Debtor (an

"Agreement") be required to file a proof of claim by the later of (a) the Bar Date or (b) the date provided in any order authorizing the Debtor to reject the Agreement or, if no date is provided, then 30 days after the date of any order authorizing the Debtors to reject an Agreement.

**I. PBGC claims**

29. Before the filing of this Motion, the Pension Benefit Guaranty Corporation (the "PBGC") requested, and the Debtors agreed, to propose to the Court that the PBGC be permitted to file consolidated proofs of claim in these chapter 11 cases solely under the case caption of *Solutia Inc., et al.*, Case No. 03-17949 (PCB). The PBGC believes that it has claims, under various theories of liability, against each of the Debtors with respect to the Debtors' tax-qualified defined benefit pension plan which, as a practical matter, could result in the PBGC filing 15 separate proofs of claim in these chapter 11 cases. The Debtors believe that the filing of this many separate proofs of claim, when the parties are all aware that the PBGC asserts claims against each Debtor, would be duplicative and unnecessary. Accordingly, the Debtors propose that the PBGC be permitted to file a consolidated proof of claim in these chapter 11 cases and that each claim the PBGC files in Case No. 03-17949 (PCB) be deemed to be a claim asserted against each of the Debtors whose cases are jointly administered under such case number.

**J. Amendment of Monsanto proofs of claims after the Bar Date**

30. The Debtors propose that all Monsanto (including, for these purposes, both Monsanto Company and Pharmacia Corporation) proofs of claim be filed on or before the Bar Date (the "Initial Proofs of Claim") in accordance with the procedures set forth herein. However, in light of the complexity of the Debtors' relationships with Monsanto, the Debtors further propose that Monsanto be permitted to amend its Initial Proofs of Claim after the Bar Date to reflect additional claims that (a) Monsanto discovers after the Bar Date as a result of the review

of proofs of claim filed against the Debtors **by other** parties and (b) are based upon the claims or legal theories set forth in Monsanto's **Initial Proofs** of Claim. The Debtors propose that the deadline for Monsanto to file any such **amendments** with the Court be 60 days after the date Monsanto receives from Trumbull (a) a **copy of the** Debtors' initial claims register after the Bar Date and (b) paper or electronic copies of **the timely** proofs of claim filed against the Debtors (with the understanding that the claims register and the proof of claim files may be supplemented thereafter from time to time to reflect **additional claims** that are received by Trumbull, and that such supplementation will not give rise to **any further** extension of Monsanto's time for filing amendments to its Initial Proofs of Claim). **To facilitate** the amendment of the Initial Proofs of Claim, Monsanto intends to request from **Trumbull** a copy of the Debtors' claims register, copies of proofs of claim filed against the Debtors **by the** Bar Date and certain other information related to proofs of claim filed in these chapter 11 **cases** and has agreed to fully reimburse Trumbull for any and all fees and expenses incurred **by Trumbull** related to providing Monsanto with this information.

**K. Management of claims processing**

31. The Debtors believe that **thousands** of parties are entitled to receive notice of the Bar Date in these chapter 11 cases. **To alleviate the** burden on the Clerk's Office to administer the large number of proofs of claim that **will be filed**, the Debtors propose to use the services of Trumbull and FBG, as applicable, to **coordinate** the processing of proofs of claim, after an initial review by the Clerk's Office. **Further, to minimize** disruption to the Clerk's Office from inquiries regarding claims issues, the **Debtors have** established a claims hotline for creditor calls. The telephone number will be **included in the** Bar Date notices to creditors, as in the exhibits attached hereto.

32. To the extent Trumbull requires any additional assistance with maintaining, photocopying and transmitting proofs of claim, the Debtors request that Trumbull be authorized to employ and pay necessary service providers, subject to prior approval of the Debtors, and to obtain reimbursement from the Debtors for any such payments on the same terms applicable to its direct services.

**L. Supplemental bar dates, if necessary**

33. The Debtors anticipate establishing supplemental bar dates in these chapter 11 cases on a very limited basis where it is necessary to ensure all known and unknown creditors receive notice of the bar date. To minimize any time and expense associated with having to seek subsequent bar date orders from the Court, the Debtors request they be permitted to establish supplemental bar dates, upon the written consent of the Creditors' Committee, with respect to (a) creditors who were initially mailed notice of the Bar Date, but as to which a remailing of the kind described in paragraph 23 above is appropriate, but cannot be accomplished in time to provide at least 23 days' notice of the Bar Date, (b) retirees who may be required to file a proof of claim if the Debtors amend retiree benefits under section 1114 of the Bankruptcy Code, (c) employees who may be required to file a proof of claim if the Debtors reject or modify certain of their collective bargaining agreements under section 1113 of the Bankruptcy Code and (d) other creditors that become known to the Debtors after the Bar Date, including those that may have environmental or asbestos claims related to any of the Debtors' or Monsanto's plants or disposal sites that are not Plant and Disposal Sites (the "Additional Plant and Disposal Sites").

34. The Debtors propose to advise the Court of any supplemental bar date by filing a supplemental bar date notice, which identifies the supplemental bar date and the claimants that

are subject thereto. In addition to filing the supplemental bar date notice with the Court, the Debtors, as applicable, propose to:

- (a) mail a **General Bar Date Package** (modified to include a supplemental bar date notice substantially in the form of the General Bar Date Notice), in accordance with the procedures set forth in section E(a) above, to known creditors who are subject to the supplemental bar date;
- (b) publish a site-specific notice (which indicates the supplemental bar date and is substantially in the form of the Site-Specific Publication Notices), in accordance with the procedures set forth in section E(b) above, to provide notice to **unknown** creditors that may have a claim related to an Additional Plant and Disposal Site; and/or
- (c) mail a **General Bar Date Package** (modified to include a supplemental bar date notice substantially in the form of the General Bar Date Notice), along with a site specific bar date notice (substantially in the form of the Site-Specific Mailing Notices), in accordance with the procedures set forth in paragraph 19 above, to creditors who are subject to the supplemental bar date and that may have a claim related to an Additional Plant and Disposal Site.

35. The Debtors further request that they be permitted to provide 23 days' notice of any supplemental bar date because that date may be established later in the case at a time when delay resulting from an extended notice period could hinder the progress of these chapter 11 cases. The Debtors believe the vast majority of parties in interest will be subject to the Bar Date and will receive at least 40 days' notice thereof.

**M. Supplemental documentation and extension of the Bar Date**

36. The Debtors propose that upon the advance written consent of the Debtors, a creditor's proof of claim may be filed without the writings upon which the claim is based, as required by Bankruptcy Rule 3001(c) and (d); *provided* that upon the request of the Debtors or any other party in interest in these cases, any creditor that received such written consent shall be required to transmit promptly such writings to the Debtors or the other party in interest, but in no event later than ten days from the date of such request. In addition, the Debtors propose that they

be authorized, in their discretion and upon the written consent of the Creditors' Committee, to extend the Bar Date by stipulation where the Debtors determine that such extension is in the best interests of the Debtors and their respective estates.

### **WAIVER OF MEMORANDUM OF LAW**

37. The Debtors respectfully submit that the citation of applicable authorities and argument set forth herein satisfies the requirement that the Debtors file a memorandum of law in support of this Motion pursuant to Rule 9013-1(b) of the Local Bankruptcy Rules for the Southern District of New York.

### **NOTICE**

38. Notice of this Motion will be provided by first-class mail to (a) the United States Trustee for the Southern District of New York, (b) counsel to the Creditors' Committee, (c) counsel to the official committee of retirees, (d) counsel to the official committee of equity security holders, (e) counsel to the agents for the Debtors' postpetition secured bank lenders, (f) the indenture trustee or fiscal agent for each of the public debt securities issued or guaranteed by the Debtors, (g) the labor organizations that are party to collective bargaining agreements with the Debtors, (h) counsel to any ad hoc committees for the public debt securities issued or guaranteed by the Debtors, (i) Pharmacia Corporation, (j) Monsanto Company, (k) the Securities and Exchange Commission, (l) the Internal Revenue Service, (m) all applicable federal and state environmental agencies and (n) those parties who have formally appeared and request service in these cases pursuant to Bankruptcy Rule 2002. In light of the nature of the relief requested herein, the Debtors submit that no other or further notice need be given and that the notice provided by the Debtors is sufficient.

**NO PRIOR REQUEST**

39. No prior request for the relief sought in this Motion has been made to this or any other court.

**WHEREFORE**, the Debtors respectfully request that the Court (a) enter an order, substantially in the form annexed hereto as **Exhibit J**, fixing the Bar Date and approving the related notice procedures described herein and (b) grant such other relief as the Court may deem just and proper.

**EXHIBIT A**

**PROOF OF CLAIM FORM AND INSTRUCTIONS**

**INSTRUCTIONS FOR PROOF OF CLAIM FORM**

The instructions and definitions below are general explanations of the law. In particular types of cases or circumstances, such as bankruptcy cases that are not filed voluntarily by a debtor, there may be exceptions to these general rules.

**DEFINITIONS****Debtor**

The person, corporation, or other entity that has filed a bankruptcy case is called the debtor.

**Creditor**

A creditor is any person, corporation, or other entity to whom the debtor owed a debt on the date that the bankruptcy case was filed.

**Proof of Claim**

A form telling the bankruptcy court how much the debtor owed a creditor at the time the bankruptcy case was filed (the amount of the creditor's claim).

**Proofs of claims are to be mailed to Solutia Inc., c/o The Trumbull Group, LLC, P.O. Box 5019, Bowling Green Station, New York, NY 10274-5019 or overnight delivery to Solutia Inc., c/o The Trumbull Group, LLC Southern District of New York, One Bowling Green, Room 534, New York, NY 10004-1408, 860-687-3956.**

**Secured Claim**

A claim is a secured claim to the extent that the creditor has a lien on property of the debtor (collateral) that gives the creditor the right to be paid from that property before creditors who do not have liens on the property.

Examples of liens are a mortgage on real estate and a security interest in a car, truck, boat, television set, or other item of property. A lien may have been obtained through a court proceeding before the bankruptcy case began; in some states a court judgment is a lien. In addition, to the extent a creditor also owes money to the debtor (has a right of setoff), the creditor's claim may be a secured claim. (See also Unsecured Claim)

**Unsecured Claim**

If a claim is not a secured claim it is an unsecured claim. A claim may be partly secured and partly unsecured if the property on which a creditor has a lien is not worth enough to pay the creditor in full.

**Unsecured Priority Claim**

Certain types of unsecured claims are given priority, so they are to be paid in bankruptcy cases before most other unsecured claims (if there is sufficient money or property available to pay these claims). The most common types of priority claims are listed on the proof of claim form. Unsecured claims that are not specifically given priority status by the bankruptcy laws are classified as *Unsecured Nonpriority Claims*.

**Items to be completed in Proof of Claim form (if not already filled in)****Court, Name of Debtor, and Case Number:**

Fill in the name of the federal judicial district where the bankruptcy case was filed (Southern District of New York), the name of the debtor in the bankruptcy case, and the bankruptcy case number.

3. In 1997, Solutia was "spun off" from the Monsanto Company (now known as Pharmacia Corporation, and referred to in this notice as "Monsanto") and is an independent company. As part of the spin-off, Solutia may be responsible for claims against Monsanto that were related to Monsanto's historic chemicals business.

**DEADLINE FOR FILING CLAIMS AGAINST SOLUTIA AND THE OTHER DEBTORS:**

4. On [date], the Court entered an order (the "Bar Date Order") establishing **[Date], at 5:00 p.m., Prevailing Eastern Time (the "Bar Date")**, as the deadline for filing proofs of claim against the Debtors. The Bar Date applies to all claims against the Debtors that arose before December 17, 2003 except the Excluded Claims listed in paragraph 6 below. The Bar Date Order also sets procedures to be used for filing proofs of claim, which are summarized in this notice for your convenience.

5. You **MUST** file a proof of claim by the Bar Date if you have any claim against any of the Debtors that arose before December 17, 2003. The only exception to this requirement is for claims described in paragraph 6, below. Acts or omissions that occurred before December 17, 2003 may give rise to claims subject to the Bar Date even if the claims may not have become known or fixed or liquidated until after December 17, 2003. **IF YOU SEEK TO ASSERT ANY CLAIMS RELATED TO MONSANTO'S HISTORIC CHEMICAL BUSINESS OF THE KIND DESCRIBED IN PARAGRAPH 3, ABOVE, YOU MUST FILE A PROOF OF CLAIM BY THE BAR DATE. ANY CLAIMS YOU HAVE AGAINST THE CHEMICALS BUSINESS OR SOLUTIA MUST BE TIMELY FILED AND IF NOT, WILL BE FOREVER BARRED.** Under section 101(5) of the Bankruptcy Code and as used herein, the word "claim" means: (a) a right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured or unsecured; or (b) a right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured or unsecured.

6. The Bar Date Order provides that creditors do **NOT** have to file proofs of claim by the Bar Date for the types of claims and interests listed below in this paragraph 6 (collectively, the "Excluded Claims"). You should not file a proof of claim at this time for any Excluded Claim. The Court may enter one or more separate orders at a later time requiring creditors to file proofs of claim for some kinds of Excluded Claims and setting related deadlines. If the Court does enter such an order, you will receive notice of it. Excluded Claims include:

- (a) claims that were listed in the schedules of assets and liabilities and statements of financial affairs, which were filed by the Debtors on March 2, 2004 and amended on [date] (as amended, the "Schedules"), but only if (i) the Schedules did not list those claims as "contingent," "unliquidated" or "disputed," and (ii)

the holder of the claim does not dispute the Schedules' description of the amount or classification of the claim or the Debtor that is identified as owing the claim;

- (b) claims for which a proof of claim **already has been** filed with the Clerk of the United States Bankruptcy Court for the Southern District of New York in a form substantially similar to Official Bankruptcy Form No. 10, against the correct Debtor;
- (c) claims paid in full by any of the Debtors **during** these chapter 11 cases as authorized by order of the Court;
- (d) claims of current employees of **any of the Debtors**, to the extent that the Debtors were authorized by the Court to honor those claims in the **ordinary course** of their business such as for wages and benefits, except that current employees must file **proofs of claim** by the Bar Date for all other claims arising before December 17, 2003 against the Debtors **including** claims for wrongful termination, discrimination and claims covered by the Debtors' **workers' compensation** insurance;
- (e) claims of retired employees of **Monsanto or any** of the Debtors for retirement benefits, including medical, surgical or hospital care benefits, or **benefits in the event of sickness, accident, disability or death** under any plan, fund or program (through the **purchase** of insurance or otherwise) maintained or established in whole or in part by the Debtors before **December 17, 2003**;
- (f) claims related to the Solutia Inc. **Employees' Pension Plan**;
- (g) claims allowable under sections 503(b) and 507(a)(1) of the Bankruptcy Code as expenses of administration, including claims for **goods and services** provided to, and accepted by, the Debtors after December 17, 2003;

**DEADLINE FOR FILING CLAIMS AGAINST SOLUTIA AND THE OTHER DEBTORS:**

4. On \_\_\_\_\_, the Court entered an order (the "Bar Date Order") establishing at 5:00 p.m. Prevaling Eastern Time (the "Bar Date"), as the deadline for filing proofs of claim against the Debtors. The Bar Date applies to all claims against the Debtors that arose before December 17, 2003 except the Excluded Claims listed in paragraph 6 below. The Bar Date Order also sets procedures to be used for filing proofs of claim, which are summarized in this notice for your convenience.

5. You MUST file a proof of claim by the Bar Date if you have any claim against any of the Debtors that arose before December 17, 2003. The only exception to this requirement is for claims described in paragraph 6, below. Acts or omissions that occurred before December 17, 2003 may give rise to claims subject to the Bar Date even if the claims may not have become known or fixed or liquidated until after December 17, 2003. IF YOU SEEK TO ASSERT ANY CLAIMS RELATED TO MONSANTO'S HISTORIC CHEMICAL BUSINESS OF THE KIND DESCRIBED IN PARAGRAPH 3, ABOVE, YOU MUST FILE A PROOF OF CLAIM BY THE BAR DATE. ANY CLAIMS YOU HAVE AGAINST THE CHEMICALS BUSINESS OR SOLUTIA MUST BE TIMELY FILED AND IF NOT, WILL BE FOREVER BARRED. Under section 101(5) of the Bankruptcy Code and as used herein, the word "claim" means: (a) a right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured or unsecured; or (b) a right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured or unsecured.

6. The Bar Date Order provides that creditors do NOT have to file proofs of claim by the Bar Date for the types of claims and interests listed below in this paragraph 6 (collectively, the "Excluded Claims"). You should not file a proof of claim at this time for any Excluded Claim. The Court may enter one or more separate orders at a later time requiring creditors to file proofs of claim for some kinds of Excluded Claims and setting related deadlines. If the Court does enter such an order, you will receive notice of it. Excluded Claims include:

- claims that were listed in the schedules of assets and liabilities and statements of financial affairs, which were filed by the Debtors on March 2, 2004 and amended on \_\_\_\_\_ (as amended, the "Schedules"), but only if (i) the Schedules did not list those claims as "contingent," "unliquidated" or "disputed," and (ii) the holder of the claim does not dispute the Schedules' description of the amount or classification of the claim or the Debtor that is identified as owing the claim;
- claims for which a proof of claim already has been filed with the Clerk of the United States Bankruptcy Court for the Southern District of New York in a form substantially similar to Official Bankruptcy Form No. 10, against the correct Debtor;

- claims paid in full by any of the Debtors during these chapter 11 cases as authorized by order of the Court;
- claims of current employees of any of the Debtors, to the extent that the Debtors were authorized by the Court to honor those claims in the ordinary course of their business such as for wages and benefits, except that current employees must file proofs of claim by the Bar Date for all other claims arising before December 17, 2003 against the Debtors including claims for wrongful termination, discrimination and claims covered by the Debtors' workers' compensation insurance;
- claims of retired employees of Monsanto or any of the Debtors for retirement benefits, including medical, surgical or hospital care benefits, or benefits in the event of sickness, accident, disability or death under any plan, fund or program (through the purchase of insurance or otherwise) maintained or established in whole or in part by the Debtors before December 17, 2003;
- claims related to the Solutia Inc. Employees' Pension Plan;

BY ORDER OF THE COURT

**GIBSON, DUNN & CRUTCHER**  
Counsel for the Debtors and Debtors in Possession

As explained in the legal notice that appears above, Solvia Inc. and certain of its affiliates (collectively, the "Debtors") have filed cases under chapter 11 of the United States Bankruptcy Code. The Bankruptcy Court for those cases has set a deadline for submitting claims against the Debtors. If you have any claim against a Debtor related to exposure to any products, raw materials or contaminants listed below that were produced, manufactured, supplied, used or disposed of by Solvia or the former Monsanto Company (n/a: Pharmacia Corporation), at the Anniston Plant now owned by Solvia located at 708 Clydesdale Avenue, Anniston, Alabama, you **MUST** file a proof of claim form with the Bankruptcy Court according to the instructions in the legal notice above by                      or you will forever lose your rights to recover on your claim in the future.

On December 17, 2003, each of the Debtors commenced bankruptcy cases under chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York. As part of the bankruptcy process, the Debtors are required to provide notice to those who may have a claim caused by exposure to the following "Amnion Materials."

- The Aniston Plant produced a variety of biphenyls, terphenyls, and polyphenyls, some of which were modified, hydrogenated, or chlorinated, including polychlorinated biphenyls (PCBs).
- Other products made at the Aniston Plant include phosphate esters, aurilic acid, silicate esters, substituted adipates, nitriloxides, alkylbenzenes, phosphoric acid, phosphorus pentasulfide and organophosphorus isocyanides (isocyanates).

- Contaminants that may be present at or around the Aniston Plant include organic chemicals and inorganic chemicals such as PCBs and certain of the other chemicals identified above.

- The Anniston Plant has had asbestos-containing materials in its insulation and fireproofing. Asbestos was not, and is not, used in any products or raw materials produced, manufactured, supplied or disposed by the Anniston Plant.

If you, or your property, or your spouse or immediate family member, was exposed to any of the Aniston Materials, and if that exposure directly or indirectly caused injury that becomes apparent either now or in the future, you may have a claim under various legal theories, including but not limited to: personal injury damages, medical malpractice, medical negligence or medical products liability, such as personal or bodily injury, wrongful death, loss of consortium, medical physical, psychological, survival or prolema, consequential, general and special damages or punitive damages. Among other things, property-related damages could relate to cost of removal, diminution of property value or economic loss, or prolema, consequential, general and special damages or punitive damages. More information about the definition of "damages" that must be filed before the deadline is included in paragraph 5 of the legal notice that appears above.

It purports to be a proof of claim form for a claim related to exposure to the Asbestos Materials if you are party to, or the beneficiary of, the Global Settlement Agreement between Solita, Monsanto and Pharmacia that was executed in connection with the lawsuits captioned Antonio Tobert, et al. v. Monsanto Company et al., Civil Action No. 01-C-1407-S, and Sabrina Albarran, et al. v. Monsanto Company et al., Civil Action No. CV-01-832 (Elsworth County).

## DEADLINE FOR FILING CLAIMS AGAINST SOLUTIA AND THE OTHER DEBTORS

4. On 12/17/2003, the Court entered an order (the "Bar Date Order") establishing at 5:00 p.m., Prevalence Eastern Time (the "Bar Date"), as the deadline for filing proofs of claim against the Debtors. The Bar Date applies to all claims against the Debtors that arose before December 17, 2003 except the Excluded Claims listed in paragraph 6 below. The Bar Date Order also sets procedures to be used for filing proofs of claim, which are summarized in this notice for your convenience.

5. **YOU MUST file a proof of claim by the Bar Date if you have any claims against any of the Debtors that arose before December 17, 2003. The only exception to this requirement is for claims described in paragraph 6, below. Acts or omissions that occurred before December 17, 2003 may give rise to claims subject to the Bar Date even if the claims may not have become known or fixed or liquidated until after December 17, 2003. You should not file a proof of claim at this time for any Excluded Claim. The Court may enter one or more separate orders at a later time requiring creditors to file proofs of claim for some kinds of Excluded Claims and setting related deadlines. If the Court does enter such an order, you will receive notice of it. Excluded Claims include:

- (g) claims that were listed in the schedules of assets and liabilities and statements of financial affairs, which were filed by the Debtors on March 2, 2004 and amended on \_\_\_\_\_ (as amended, the "Schedules"), but only if (i) the Schedules did not list those claims as "contingent," "unliquidated or disputed," and (ii) the holder of the claim does not dispute the Schedules' description of the amount or classification of the claim or the Debtor that is identified as owing the claim;

As explained in the legal notice that appears above, Solulis Inc. and certain of its affiliates (collectively, the "Debtors") have filed cases under chapter 11 of the United States Bankruptcy Code. **DEADLINE FOR FILING CLAIMS AGAINST SOLUTIA AND THE OTHER DEBTORS:**

4. On \_\_\_\_\_, the Court entered an order (the "Bar Date Order") establishing \_\_\_\_\_ at 5:00 p.m., Prevaling Eastern Time (the "Bar Date"), as the deadline for filing proofs of claim against the Debtors. The Bar Date applies to all claims against the Debtors that arose before December 17, 2003 except the Excluded Claims listed in paragraph 6 below. The Bar Date Order also sets procedures to be used for filing proofs of claim, which are summarized in this notice for your convenience.

5. You MUST file a proof of claim by the Bar Date if you have any claim against any of the Debtors that arose before December 17, 2003. The only exception to this requirement is for claims described in paragraph 6, below. Acts or omissions that occurred before December 17, 2003 may give rise to claims subject to the Bar Date even if the claims may not have become known or fixed or liquidated until after December 17, 2003. IF YOU SEEK TO ASSERT ANY CLAIMS RELATED TO MONSANTO'S HISTORIC CHEMICAL BUSINESS OF THE KIND DESCRIBED IN PARAGRAPH 3, ABOVE, YOU MUST FILE A PROOF OF CLAIM BY THE BAR DATE. 6. The Bar Date Order provides that creditors do NOT have to file proofs of claim by the Bar Date for the types of claims and interests listed below in this paragraph 6 (collectively, the "Excluded Claims"). You should not file a proof of claim at this time for any Excluded Claim. The Court may enter one or more separate orders at a later time requiring creditors to file proofs of claim for some kinds of Excluded Claims and setting related deadlines. If the Court does enter such an order, you will receive notice of it. Excluded Claims include:

- (a) claims that were listed in the schedules of assets and liabilities and statements of financial affairs, which were filed by the Debtors on March 2, 2004 and amended on \_\_\_\_\_ (as amended, the "Schedules"), but only if (i) the Schedules did not list those claims as "contingent," "unliquidated" or "disputed," and (ii) the holder of the claim does not dispute the Schedules' description of the amount or classification of the claim or the Debtor that is identified as owing the claim;
- (b) claims for which a proof of claim already has been filed with the Clerk of the United States Bankruptcy Court for the

- Southern District of New York in a form substantially similar to Official Bankruptcy Form No. 10, against the correct Debtor;

- (e) claims of retired employees of Monsanto or any of the Debtors for retirement benefits, including medical, surgical or hospital care benefits, or benefits in the event of sickness, accident, disability or death under any plan, fund or program (through the purchase of insurance or otherwise) maintained or established in whole or in part by the Debtors before December 17, 2003;
- (f) claims related to the Solutia Inc. Employees' Pension Plan;
- (g) claims allowable under sections 503(b) and 507(a)(1) of the Bankruptcy Code as expenses of administration, including claims for goods and services provided to, and accepted by, the Debtors after December 17, 2003;

## SPECIAL NOTICE TO RESIDENTS OF THE FOLEY, ALABAMA AREA

As explained in the legal notice that appears above, Solutia Inc. and certain of its affiliates (collectively, the "Debtors") have filed cases under chapter 11 of the United States Bankruptcy Code. The Bankruptcy Court for those cases has set a deadline for submitting claims against the Debtors. If you have any claim against a Debtor related to exposure to any products, raw materials or contaminants listed below that were produced, manufactured, supplied, used or disposed of by Solutia or the former Monsanto Company (now a Pharmacia Corporation), at the Foley Plant now owned by Solutia and located at 618 South Bay Street, Foley, Alabama, you **MUST** file a proof of claim form with the Bankruptcy Court according to the instructions in the legal notice above by \_\_\_\_\_, or you will forever lose your rights to recover on your claim in the future.

On December 17, 2003, each of the Debtors commenced bankruptcy cases under chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York. As part of the bankruptcy process, the Debtors are required to provide notice to those who may have a claim caused by exposure to the following "Foley Materials":

- The Foley Plant produced nylon fiber and nylon compounded products.
- Raw materials and contaminants used at the Foley Plant have included fiberglass and various fiber finishes comprised of mixtures of vegetable oils and ethoxylated and sulfonated vegetable oils, mineral oils, fatty acids and fatty esters, polyethylene wax, esters, glycols, alcohols and quaternary ammonium alcohol salts, alcohol phosphates, urethane based fluoropolymers, silicone polymers, isomeric alcohols, phenolic antioxidants, sorbitan esters, stearates, polyvinyl

alcohol, oleic acid, phosphates and sulfonates.

- The Foley Plant contained asbestos-containing materials used for insulation and fireproofing. Asbestos was not, and is not, used in any products or raw materials produced, manufactured, supplied or disposed of by the Foley Plant.

If you, or your property, or your spouse or immediate family member, was exposed to any of the Foley Materials, and if that exposure directly or indirectly caused injury that becomes apparent either now or in the future, you may have a claim under various legal theories for damages. Among other things, personal injury damages could relate to physical, emotional or other personal injuries, such as personal or bodily injury, wrongful death, loss of consortium, medical monitoring, survivorship or probate, consequential, general and special damages or punitive damages. Among other things, property-related damages could relate to cost of removal, diminution of property value or economic loss, or probate, consequential, general and special damages or punitive damages. More information about the definition of "claims" that must be filed before the deadline is included in paragraph 5 of the legal notice that appears above.

To preserve your claim against the Debtors relating to your or your property's exposure to any of the Foley Materials, you **MUST** file a proof of claim before \_\_\_\_\_. If you do not file a proof of claim form, you will forever lose your right to bring any claim against the Debtors in the future. Filing a proof of claim form does not automatically entitle you to compensation.

For more information about the filing process and/or to receive a proof of claim form, please call 1-866-378-1484.

**DEADLINE FOR FILING CLAIMS AGAINST SOLUTIA AND THE OTHER DEBTORS:**

4. On \_\_\_\_\_, the Court entered an order (the "Bar Date Order") establishing \_\_\_\_\_ at 5:00 p.m., Prevaling Eastern Time (the "Bar Date"), as the deadline for filing proofs of claim against the Debtors. The Bar Date applies to all claims against the Debtors that arose before December 17, 2003 except the Excluded Claims listed in paragraph 6 below. The Bar Date Order also sets procedures to be used for filing proofs of claim, which are summarized in this notice for your convenience.

5. You **MUST** file a proof of claim by the Bar Date if you have any claim against any of the Debtors that arose before December 17, 2003. The only exception to this requirement is for claims described in paragraph 6, below. Acts or omissions that occurred before December 17, 2003 may give rise to claims subject to the Bar Date even if the claims may not have become known or fixed or liquidated until after December 17, 2003. IF YOU SEEK TO ASSERT ANY CLAIMS RELATED TO MONSANTO'S HISTORIC CHEMICAL BUSINESS OF THE KIND DESCRIBED IN PARAGRAPH 3, ABOVE, YOU MUST FILE A PROOF OF CLAIM BY THE BAR DATE. Under section 101(9) of the Bankruptcy Code and as used herein, the word "claim" means: (a) a right to payment, whether or not such right is reduced to judgment, liquidated, undisputed, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured or unsecured; or (b) a right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured or unsecured.

6. The Bar Date Order provides that creditors do NOT have to file proofs of claim by the Bar Date for the types of claims and interests listed below in this paragraph 6 (collectively, the "Excluded Claims"). You should not file a proof of claim at this time for any Excluded Claim. The Court may enter one or more separate orders at a later time requiring creditors to file proofs of claim for some kinds of Excluded Claims and setting related deadlines. If the Court does enter such an order, you will receive notice of it. Excluded Claims include:

- (a) claims that were listed in the schedules of assets and liabilities and statements of financial affairs, which were filed by the Debtors on March 2, 2004 and amended on \_\_\_\_\_ (as amended, the "Schedules"), but only if (i) the Schedules did not list those claims as "contingent," "unliquidated" or "disputed," and (ii) the holder of the claim does not dispute the Schedules' description of the amount or classification of the claim or the Debtor that is identified as owing the claim;

- (b) claims for which a proof of claim already has been filed with the Clerk of the United States Bankruptcy Court for the Southern District of New York in a form substantially similar to Official Bankruptcy Form No. 10, against the correct Debtor;
- (c) claims paid in full by the Debtors during these chapter 11 cases as authorized by order of the Court;
- (d) claims of current employees of any of the Debtors, to the extent that the Debtors were authorized by the Court to honor those claims in the ordinary course of their business such as for wages and benefits, except that current employees must file proofs of claim by the Bar Date for all other claims arising before December 17, 2003 against the Debtors including claims for wrongful termination, discrimination and claims covered by the Debtors' workers' compensation insurance;
- (e) claims of retired employees of Monsanto or any of the Debtors for retirement benefits, including medical, surgical or hospital care benefits, or benefits in the event of sickness, accident, disability or death under any plan, fund or program (through the purchase of insurance or otherwise) maintained or established in whole or in part by the Debtors before December 17, 2003;
- (f) claims related to the Solutia Inc. Employees' Pension Plan;
- (g) claims allowable under sections 503(b) and 507(a)(1) of the Bankruptcy Code as expenses of administration, including claims for goods and services provided to, and accepted by the Debtors after December 17, 2003;
- (h) claims which are based exclusively upon principal, interest and other applicable fees and charges on or under the (a) 6.72% Debentures under an indenture, dated October 1, 1997, (b) 11.25% Senior Secured Debentures under an indenture, dated July 8, 2002, (c) 7.375% Debentures under an indenture, dated October 1, 1997 and (d) Bank Credit Agreement, dated October 8, 2003 (collectively, the "Debt Instruments"); provided that (i) the foregoing exclusion will not apply to the indenture trustee or designated agent under any of the Debt Instruments or related documents, (ii) any indenture trustee or designated agent under any of the Debt Instruments or related documents will be required to file a proof of claim on account of claims for the repayment by the Debtors of principal, interest and other applicable fees and charges on or under the Debt Instruments, (iii) any person or entity that wishes to assert a claim arising out of or relating to a Debt Instrument, other than a claim for the repayment by the Debtors of principal, interest and other applicable fees and charges on or under the Debt Instruments, will be required to file a proof of claim, unless another exception herein applies and (iv) any indenture trustee or designated agent under any of the Debt Instruments or related documents will only be required to file proofs of claim asserting claims for the repayment of principal, interest and other applicable fees and charges on or under the applicable Debt Instruments or against the chapter 11 estates of the Debtor(s) that is (are) the primary obligor(s) on the underlying debt, and if such proof of claim identifies the Debtors, together with their respective chapter 11 case numbers, that are guarantors or otherwise secondary obligors under the applicable Debt Instruments, that proof of claim will be deemed to have been filed against the chapter 11 estates of each guarantor or secondary obligor;
- (i) claims of one Debtor against any of the other Debtors;
- (j) claims of any direct or indirect non-debtor subsidiary of Solutia Inc. against any of the Debtors; and
- (k) equity interests, which interests are based exclusively upon the ownership of common or preferred stock in a corporation, a general or limited partner interest in a limited partnership, a membership interest in a limited liability company or warrants or rights to sell or subscribe to such security or interest (any such interest being referred to as an "interest"); provided that holders of interests who wish to assert a claim against any of the Debtors that arises out of or relates to the ownership or purchase of an interest, including claims arising out of or relating to the sale, issuance or distribution of the interest, must file a proof of claim on or prior to the Bar Date, unless another exception set forth herein applies.

Counsel for the Debtors and Debtors in Possession

## SPECIAL NOTICE TO RESIDENTS OF THE EL DORADO AREA

As explained in the legal notice that appears above, Solutia Inc. and certain of its affiliates (collectively, the "Debtors") have filed cases under chapter 11 of the United States Bankruptcy Code. The Bankruptcy Court for those cases has set a deadline for submitting claims against the Debtors. If you have any claim against a Debtor related to exposure to any products, raw materials or contaminants listed below that were produced, manufactured, supplied, used or disposed of by the former Monsanto Company (in/its Pharmacia Corporation), at Monsanto's former Lion Oil Company Plant located at 1000 McHenry, El Dorado, Arkansas, you **MUST** file a proof of claim form with the Bankruptcy Court according to the instructions in the legal notice above by \_\_\_\_\_, or you will forever lose your rights to recover on your claim in the future.

On December 17, 2003, each of the Debtors commenced bankruptcy cases under chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York. As part of the bankruptcy process, the Debtors are required to provide notice to those who may have a claim caused by exposure to the following "Lion Oil Materials":

- The Lion Oil Company Plant is an oil refinery. Contaminants that may be present at or around Lion Oil Company Plant include petroleum hydrocarbons and polyaromatic hydrocarbons.
- The Lion Oil Company Plant contained asbestos-containing materials used for insulation and fireproofing. Asbestos was

not, and is not, used in any products or raw materials produced, manufactured, supplied or disposed by Lion Oil Company Plant.

If you, or your property, or your spouse or immediate family member, was exposed to any of the Lion Oil Materials, and if that exposure directly or indirectly caused injury that becomes apparent either now or in the future, you may have a claim under various legal theories for damages. Among other things, personal injury damages could relate to physical, emotional or other personal injuries, such as personal or bodily injury, wrongful death, loss of consortium, medical monitoring, survivorship or probate, consequential, general and special damages or punitive damages. Among other things, property-related damages could relate to cost of removal, destruction of property value or economic loss, or probate, consequential, general and special damages or punitive damages. More information about the definition of "claims" that must be filed before the deadline is included in paragraph 5 of the legal notice that appears above.

To preserve your claim against the Debtors relating to your or your property's exposure to any of the Lion Oil Materials, you **MUST** file a proof of claim form before \_\_\_\_\_. If you do not file a proof of claim form, you will forever lose your right to bring any claim against the Debtors in the future. Filing a proof of claim form does not automatically entitle you to compensation.

For more information about the filing process and/or to receive a proof of claim form, please call 1-866-378-1484.

**DEADLINE FOR FILING CLAIMS AGAINST SOLUTIA AND THE OTHER DEBTORS:**

4. On \_\_\_\_\_, the Court entered an order (the "Bar Date Order") establishing \_\_\_\_\_ at 5:00 p.m. (the "Bar Date"), as the deadline for filing proofs of claim against the Debtors. The Bar Date applies to all claims against the Debtors that arose before December 17, 2003 except the Excluded Claims listed in paragraph 6 below. The Bar Date Order also sets procedures to be used for filing proofs of claim, which are summarized in this notice for your convenience.

5. You **MUST** file a proof of claim by the Bar Date if you have any claim against any of the Debtors that arose before December 17, 2003. The only exception to this requirement is for claims described in paragraph 6, below. Acts or omissions that occurred before December 17, 2003 may give rise to claims subject to the Bar Date even if the claims may not have become known or fixed or liquidated until after December 17, 2003. You should not file a proof of claim at this time for any Excluded Claim. The Court may enter one or more separate orders at a later time requiring creditors to file proofs of claim for some kinds of Excluded Claims and setting related deadlines. If the Court does enter such an order, you will receive notice of it. Excluded Claims include:

- (a) claims that were listed in the schedules of assets and liabilities and statements of financial affairs, which were filed by the Debtors on March 2, 2004 and amended on \_\_\_\_\_ (as amended, the "Schedules"), but only if (i) the Schedules did not list those claims as "contingent," "unliquidated" or "disputed," and (ii) the holder of the claim does not dispute the Schedules' description of the amount or classification of the claim or the Debtor that is identified as owing the claim;

## SPECIAL NOTICE TO RESIDENTS OF THE PENSACOLA AREA

As explained in the legal notice that appears above, Solutia Inc. and certain of its affiliates (collectively, the "Debtors") have filed cases under chapter 11 of the United States Bankruptcy Code. The Bankruptcy Court for those cases has set a deadline for submitting claims against the Debtors. If you have any claim against a Debtor related to exposure to any products, raw materials or contaminants listed below that were produced, manufactured, supplied, used or disposed of by Solutia or the former Monsanto Company (now known as Pharmacia Corporation), at the Pensacola Plant (formerly the Chemstrand Plant) now owned by Solutia and located at 3000 Chemstrand Road, Cantonment, Florida, you **MUST** file a proof of claim form with the Bankruptcy Court according to the instructions in the legal notice above by \_\_\_\_\_, or you will forever lose your right to recover on your claim in the future.

On December 17, 2003, each of the Debtors commenced bankruptcy cases under chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York. As part of the bankruptcy process, the Debtors are required to provide notice to those who may have a claim caused by exposure to the following "Pensacola/Chemstrand Materials."

- The Pensacola/Chemstrand Plant produced nylon filament yarn, nylon carpet staple, nylon copolymer resin, reinforced nylon resin, nylon block copolymer resin, maleic anhydride, hexamethylene diamine, bis-hexamethylene tetramine, technical and food grade adipic acid and dibasic acids.
- Raw materials and other chemicals used at the Pensacola/Chemstrand Plant have included adipic acid, ammonia, hexamethylenediamine, nylon filate, nylon salt, sebacic acid, benzene, butane, adiponitrile, hexamethylene diamine, hydrogenated polyphenyls and cyclohexane, and various fiber finishes comprised of mixtures of vegetable oils and ethoxylated and sulfonated vegetable oils, mineral oils, fatty acids and fatty esters, polyethylene wax, amines, glycols, alcohols and quaternary ammonium alcohol salts, alcohol phosphate, urethane based fluoropolymers, alkozone

polymers, fluorocochols, phenolic antioxidants, sorbitan esters, stearates, polyvinyl alcohols, oleic acid, phosphates and sulfonates.

- Contaminants that may be present at or around the Pensacola/Chemstrand Plant include organic chemicals such as trichloroethylene and polychlorinated biphenyls (PCBs) used as compressor oils and inorganic chemicals such as boron.
- The Pensacola/Chemstrand Plant contained asbestos-containing materials used for insulation and fireproofing. Asbestos was not, and is not, used in any products or raw materials produced, manufactured, supplied or disposed of by the Pensacola/Chemstrand Plant.

If you, or your property, or your spouse or immediate family member, was exposed to any of the Pensacola/Chemstrand Materials, and if that exposure directly or indirectly caused injury that becomes apparent either now or in the future, you may have a claim under various legal theories for damages. Among other things, personal injury damages could relate to physical, emotional or other personal injuries, such as personal or bodily injury, wrongful death, loss of consortium, medical monitoring, survivorship or prodamate, consequential, general and special damages or punitive damages. Among other things, property-related damages could relate to cost of removal, diminution of property value or economic loss, or prodamate, consequential, general and special damages or punitive damages. More information about the definition of "claims" that must be filed before the deadline is included in paragraph 5 of the legal notice that appears above.

To preserve your claim against the Debtors relating to your or your property's exposure to any of the Pensacola/Chemstrand Materials, you **MUST** file a proof of claim form before \_\_\_\_\_, or you will forever lose your right to bring any claim against the Debtors in the future. Filing a proof of claim form does not automatically entitle you to compensation.

For more information about the filing process and/or to receive a proof of claim form, please call 1-866-378-1484.

- (a) claims that were listed in the schedules of assets and liabilities and statements of financial affairs, which were filed by the Debtors on March 2, 2004 and amended on \_\_\_\_\_ (as amended, the "Schedules"), but only if (i) the Schedules did not list those claims as "contingent," "unliquidated" or "disputed," and (ii) the holder of the claim does not dispute the Schedules' description of the amount or classification of the claim or the Debtor that is identified as owing the claim;

## SPECIAL NOTICE TO RESIDENTS OF THE AUGUSTA AREA

As explained in the legal notice that appears above, Solutia Inc. and certain of its affiliates (collectively, the "Debtors") have filed cases under chapter 11 of the United States Bankruptcy Code. The Bankruptcy Court for those cases has set a deadline for submitting claims against the Debtors. If you have any claim against a Debtor related to exposure to any products, raw materials or containers listed below that were produced, manufactured, supplied, used or disposed of by Solutia or the former Monsanto Company (via a Pharmacia Corporation), at their former Augusta Plant located at 1610 Marvin Griffin Road, Augusta, Georgia, you MUST file a proof of claim form with the Bankruptcy Court according to the instructions in the legal notice above by \_\_\_\_\_, or you will forever lose your rights to recover on your claim in the future.

On December 17, 2003, each of the Debtors commenced bankruptcy cases under chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York. As part of the bankruptcy process, the Debtors are required to provide notice to those who may have a claim caused by exposure to the following "Augusta Materials":

- The Augusta Plant produced food grade and technical grade phosphoric acid, sodium tripolyphosphate, sodium trimetaphosphate, tetrasodium pyrophosphate, tetrapotassium pyrophosphate and calcium pyrophosphate.
- Raw materials used at the Augusta Plant have included elemental phosphorus, caustic soda, soda ash, caustic potassium and lime.
- Contaminants that may be present at or around the Augusta Plant include inorganic chemicals such as arsenic or other chemicals identified above.

• The Augusta Plant contained asbestos-containing materials used for insulation and fireproofing. Asbestos was not, and is not, used in any products or raw materials produced, manufactured, supplied or disposed of by the Augusta Plant.

If you, or your property, or your spouse or immediate family member, was exposed to any of the Augusta Materials, and if that exposure directly or indirectly caused injury that becomes apparent either now or in the future, you may have a claim under various legal theories for damages. Among other things, personal injury damages could relate to physical, emotional or other personal injuries, such as personal or bodily injury, wrongful death, loss of consortium, medical monitoring, survivorship or probate, consequential, general and special damages or punitive damages. Among other things, property-related damages could relate to cost of removal, diminution of property value or economic loss, or probate, consequential, general and special damages or punitive damages. More information about the definition of "claims" that must be filed before the deadline is included in paragraph 5 of the legal notice that appears above.

To preserve your claim against the Debtors relating to your or your property's exposure to any of the Augusta Materials, you MUST file a proof of claim form before \_\_\_\_\_. If you do not file a proof of claim form, you will forever lose your right to bring any claim against the Debtors in the future. Filing a proof of claim form does not automatically entitle you to compensation.

For more information about the filing process and/or to receive a proof of claim form, please call 1-866-378-1484.

### DEADLINE FOR FILING CLAIMS AGAINST SOLUTIA AND THE OTHER DEBTORS:

4. On \_\_\_\_\_, the Court entered an order (the "Bar Date Order") establishing \_\_\_\_\_ at 5:00 p.m. (Prevaling Eastern Time) (the "Bar Date"), as the deadline for filing proofs of claim against the Debtors. The Bar Date applies to all claims against the Debtors that arose before December 17, 2003 except the Excluded Claims listed in paragraph 6 below. The Bar Date Order also sets procedures to be used for filing proofs of claim, which are summarized in this notice for your convenience.

5. You **MUST** file a proof of claim by the Bar Date if you have any claim against any of the Debtors that arose before December 17, 2003. The only exception to this requirement is for claims described in paragraph 6, below. Acts or omissions that occurred before December 17, 2003 may give rise to claims subject to the Bar Date even if the claims may not have become known or fixed or liquidated until after December 17, 2003. IF YOU SEEK TO ASSERT ANY CLAIMS RELATED TO MONSANTO'S HISTORIC CHEMICAL BUSINESS OF THE KIND DESCRIBED IN PARAGRAPH 3, ABOVE, YOU MUST FILE A PROOF OF CLAIM BY THE BAR DATE. Under section 101(5) of the Bankruptcy Code and as used herein, the word "claim" means: (a) a right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured or unsecured; or (b) a right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured or unsecured.

6. The Bar Date Order provides that creditors do NOT have to file proofs of claim by the Bar Date for the types of claims and interests listed below in this paragraph 6 (collectively, the "Excluded Claims"). You should not file a proof of claim at this time for any Excluded Claim. The Court may enter one or more separate orders at a later time requiring creditors to file proofs of claim for some kinds of Excluded Claims and setting related deadlines. If the Court does enter such an order, you will receive notice of it. Excluded Claims include:

- claims that were listed in the schedules of assets and liabilities and statements of financial affairs, which were filed by the Debtors on March 2, 2004 and amended on \_\_\_\_\_ (as amended, the "Schedules"), but only if (i) the Schedules did not list those claims as "contingent," "unliquidated" or "disputed," and (ii) the holder of the claim does not dispute the Schedules' description of the amount or classification of the claim or the Debtor that is identified as owing the claim;
- claims for which a proof of claim already has been filed with the Clerk of the United States Bankruptcy Court for the Southern District of New York in a form substantially similar to Official

Bankruptcy Form No. 10, against the correct Debtor;

- claims paid in full by any of the Debtors during these chapter 11 cases as authorized by order of the Court;
- claims of current employees of any of the Debtors, to the extent that the Debtors were authorized by the Court to honor those claims in the ordinary course of their business such as for wages and benefits, except that current employees must file proofs of claim by the Bar Date for all other claims arising before December 17, 2003 against the Debtors including claims for wrongful termination, discrimination and claims covered by the Debtors' workers' compensation insurance;
- claims of retired employees of Monsanto or any of the Debtors for retirement benefits, including medical, surgical or hospital care benefits, or benefits in the event of address, accident, disability or death under any plan, fund or program (through the purchase of insurance or otherwise) maintained or established in whole or in part by the Debtors before December 17, 2003;
- claims related to the Solutia Inc. Employees' Pension Plan;
- claims allowable under sections 503(b) and 507(a)(1) of the Bankruptcy Code as expenses of administration, including claims for goods and services provided to, and accepted by, the Debtors after December 17, 2003;
- claims which are based exclusively upon principal, interest and other applicable fees and charges on or under the (a) 6.72% Debentures under an Indenture, dated October 1, 1997, (b) 11.25% Senior Secured Debentures under an Indenture, dated July 9, 2002, (c) 7.375% Debentures under an Indenture, dated October 1, 1997 and (d) Bank Credit Agreement, dated October 8, 2003 (collectively, the "Debt Instruments"); provided that (i) the foregoing exclusion will not apply to the Indenture trustee or designated agent under any of the Debt Instruments or related documents, (ii) any Indenture trustee or designated agent under any of the Debt Instruments or related documents will be required to file a proof of claim on account of claims for the repayment by the Debtors of principal, interest and other applicable fees and charges on or under the Debt Instruments, (iii) any person or entity that wishes to assert a claim arising out of or relating to a Debt Instrument, other than a claim for the repayment by the Debtors of principal, interest and other applicable fees and charges on or under the Debt Instrument, will be required to file a proof of claim, unless another exception herein applies and (iv) any Indenture trustee or designated agent under any of the Debt Instruments or related documents will only be required to file proofs of claim asserting claims for the repayment of principal, interest and other applicable fees and charges on or under the applicable Debt Instruments or against the chapter 11 estates of the Debtor(s) that is (are) the primary obligor(s) on the underlying debt, and if such proof of claim identifies the Debtors, together with their respective chapter 11 case numbers, that are guarantors or otherwise secondary obligors under the applicable Debt Instruments, that proof of claim will be deemed to have been filed against the chapter 11 estate of each guarantor or secondary obligor;
- claims of one Debtor against any of the other Debtors;
- claims of any direct or indirect non-debtor subsidiary of Solutia Inc. against any of the Debtors; and
- equity interests, which interests are based exclusively upon the ownership of common or preferred stock in a corporation, a general or limited partner interest in a limited partnership, a membership interest in a limited liability company or partnership or rights to sell or subscribe to such security or interest (any such interest being referred to as an "interest"); provided that holders of interests who wish to assert a claim against any of the Debtors that arises out of or relates to the ownership or purchase of an interest, including claims arising out of or relating to the sale, issuance or distribution of the interest, must file a proof of claim on or prior to the Bar Date, unless another exception set forth herein applies.

## SPECIAL NOTICE TO RESIDENTS OF THE BAXLEY AREA

As explained in the legal notice that appears above, Solutia Inc. and certain of its affiliates (collectively, the "Debtors") have filed cases under chapter 11 of the United States Bankruptcy Code. The Bankruptcy Court for those cases has set a deadline for submitting claims against the Debtors. If you have any claim against a Debtor related to exposure to any products, raw materials or contaminants listed below that were produced, manufactured, supplied, used or disposed of by the former Monsanto Company (nuka: Pharmacia Corporation), at Monsanto's former Baxley Plant located at U.S. Highway 341 East, Baxley, Georgia, you **MUST** file a proof of claim form with the Bankruptcy Court according to the instructions in the legal notice above by \_\_\_\_\_ or you will forever lose your right to recover on your claim in the future.

On December 17, 2003, each of the Debtors commenced bankruptcy cases under chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York. As part of the bankruptcy process, the Debtors are required to provide notice to those who may have a claim caused by exposure to the following "Baxley Materials":

- The Baxley Plant produced a variety of resin products and rosin/turpentine.
- Raw materials used at the Baxley Plant have included tall oil, 1,2-dichloroethane, pine gum and epichlorohydrin.
- Contaminants that may be present at or around the Baxley Plant include organic chemicals such as 1,2-dichloroethane, vinyl chloride, acetone, benzene, xylene, ethylbenzene, and toluene and

inorganic chemicals such as arsenic, barium, mercury and zinc.

- The Baxley Plant contained asbestos-containing materials used for insulation and fireproofing. Asbestos was not, and is not, used in any products or raw materials produced, manufactured, supplied or disposed by the Baxley Plant.

If you, or your property, or your spouse or immediate family member, was exposed to any of the Baxley Materials, and if that exposure directly or indirectly caused injury that becomes apparent either now or in the future, you may have a claim under various legal theories for damages. Among other things, personal injury damages could relate to physical, emotional or other personal injuries, such as personal or bodily injury, wrongful death, loss of consortium, medical monitoring, survivorship or prodrome, consequential, general and special damages or punitive damages. Among other things, property-related damages could relate to cost of removal, diminution of property value or economic loss, or prodrome, consequential, general and special damages or punitive damages. More information about the definition of "claims" that must be filed before the deadline is included in paragraph 5 of the legal notice that appears above.

To preserve your claim against the Debtors relating to your or your property's exposure to any of the Baxley Materials, you **MUST** file a proof of claim form before \_\_\_\_\_. If you do not file a proof of claim form, you will forever lose your right to bring any claim against the Debtors in the future. Filing a proof of claim form does not automatically entitle you to compensation.

4. On \_\_\_\_\_, the Court entered an order (the "Bar Date Order") establishing \_\_\_\_\_ at 5:00 p.m., Prevaling Eastern Time (the "Bar Date"), as the deadline for filing proofs of claim against the Debtors. The Bar Date applies to all claims against the Debtors that arose before December 17, 2003 except the Excluded Claims listed in paragraph 6 below. The Bar Date Order also sets procedures to be used for filing proofs of claim, which are summarized in this notice for your convenience.

5. You **MUST** file a proof of claim by the Bar Date if you have any claim against any of the Debtors that arose before December 17, 2003. The only exception to this requirement is for claims described in paragraph 6, below. Acts or omissions that occurred before December 17, 2003 may give rise to claims subject to the Bar Date even if the claims may not have become known or fixed or liquidated until after December 17, 2003. The Bar Date Order provides that creditors do NOT have to file proofs of claim by the Bar Date for the types of claims and interests listed below in this paragraph 6 (collectively, the "Excluded Claims"). You should not file a proof of claim at this time for any Excluded Claim. The Court may enter one or more separate orders at a later time requiring creditors to file proofs of claim for some kinds of Excluded Claims and setting related deadlines. If the Court does enter such an order, you will receive notice of it. Excluded Claims include:

- (a) claims that were listed in the schedules of assets and liabilities and statements of financial affairs, which were filed by the Debtors on March 2, 2004 and amended on \_\_\_\_\_ (as amended, the "Schedules"), but only if (i) the Schedules did not list those claims as "contingent," "unliquidated" or "disputed," and (ii) the holder of the claim does not dispute the Schedules' description of the amount or classification of the claim or the Debtor that is identified as owing the claim;

## SPECIAL NOTICE TO RESIDENTS OF THE EVERETT AND WOBURN AREAS

As explained in the legal notice that appears above, Solutia Inc. and certain of its affiliates (collectively, the "Debtors") have filed cases under chapter 11 of the United States Bankruptcy Code. The Bankruptcy Court for those cases has set a deadline for submitting claims against the Debtors. If you have any claim against a Debtor related to exposure to any products, raw materials or contaminants listed below that were produced, manufactured, used or disposed of by the former Monsanto Company (n/v/a Pharmacia Corporation), at Monsanto's former Everett Plant (formerly Meritac Chemical) located at Mytic View Road, Everett, Massachusetts or the Industri-Plex Superfund Site located at Commerce Way and Atlantic, Woburn, Massachusetts, you **MUST** file a proof of claim form with the Bankruptcy Court according to the instructions in the legal notice above by \_\_\_\_\_, or you will forever lose your rights to recover on your claim in the future.

On December 17, 2003, each of the Debtors commenced bankruptcy cases under chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York. As part of the bankruptcy process, the Debtors are required to provide notice to those who may have a claim caused by exposure to the following "Everett/Meritac Materials" or "Industri-Plex Materials."

### Everett/Meritac Materials

- The Everett/Meritac Plant produced hydroxyethylene diphosphonic acid, a variety of amino phosphonic acids, diethyl adipates, styrene maleic anhydride copolymers, phthalic anhydride, sulfuric acid and malic acid.
- Raw materials used at the Everett/Meritac Plant included phosphorus trichloride, formaldehyde, ammonia, isobutene, ethylene diamine, hexamethylene diamine, diethylene triamine, maleic anhydride, styrene, adipic acid, 2-ethylhexyl alcohol, n-heptyl alcohol and n-octyl alcohol.
- Contaminants that may be present at or around the Everett/Meritac Plant include organic chemicals such as bis(2-ethylhexyl) phthalate, polychlorinated biphenyls (PCBs) and naphthalene, and inorganic chemicals such as arsenic, lead, mercury, zinc and sulfuric acid.

- The Everett/Meritac Plant may have contained asbestos-containing materials used for insulation and fireproofing. Asbestos was not used in any products or raw materials produced, manufactured, supplied or disposed by the Everett/Meritac Plant.

### Industri-Plex Materials

- The Industri-Plex Superfund Site includes the former Meritac Chemical plant which produced sulfuric acid and arsenical pesticides.
- Contaminants that may be present at or around the Industri-Plex Superfund Site include organic chemicals such as benzene and toluene, and inorganic chemicals such as arsenic, chromium and lead. The Aberjona River runs through the site and may have been affected by Meritac's former operations on the Industri-Plex Superfund Site.

If you, or your property, or your spouse or immediate family member, was exposed to any of the Everett/Meritac Materials or Industri-Plex Materials, and if that exposure directly or indirectly caused injury that becomes apparent either now or in the future, you may have a claim under various legal theories for damages. Among other things, personal injury damages could relate to physical, emotional or other personal injuries, such as personal or bodily injury, wrongful death, loss of consortium, medical monitoring, survivorship or probate, consequential, general and special damages or punitive damages. Among other things, property-related damages could relate to cost of removal, diminution of property value or economic loss, or probate, consequential, general and special damages or punitive damages. More information about the definition of "claims" that must be filed before the deadline is included in paragraph 5 of the legal notice that appears above.

To preserve your claim against the Debtors relating to your or your property's exposure to any of the Everett/Meritac Materials or Industri-Plex Materials, you **MUST** file a proof of claim form before \_\_\_\_\_. If you do not file a proof of claim form, you will forever lose your right to bring any claim against the Debtors in the future. Filing a proof of claim form does not automatically entitle you to compensation.

For more information about the filing process and/or to receive a proof of claim form, please call 1-866-378-1484.

4. On \_\_\_\_\_, the Court entered an order (the "Bar Date Order") establishing \_\_\_\_\_ at 5:00 p.m., Prevaling Eastern Time (the "Bar Date"), as the deadline for filing proofs of claim against the Debtors. The Bar Date applies to all claims against the Debtors that arose before December 17, 2003 (except the Excluded Claims listed in paragraph 6 below. If the Court does enter such an order, you will receive notice of it. Excluded Claims include:

- (a) claims that were listed in the schedules of assets and liabilities and statements of financial affairs, which were filed by the Debtors on March 2, 2004 and amended on \_\_\_\_\_ (as amended), the "Schedules", but only if (i) the Schedules did not list those claims as "contingent," "unliquidated" or "disputed," and (ii) the holder of the claim does not dispute the Schedules' description of the amount or classification of the claim or the Debtor that is identified as owing the claim;

## SPECIAL NOTICE TO RESIDENTS OF THE SPRINGFIELD AREA

As explained in the legal notice that appears above, Solutia Inc. and certain of its affiliates (collectively, the "Debtors") have filed cases under chapter 11 of the United States Bankruptcy Code. The Bankruptcy Court for those cases has set a deadline for submitting claims against the Debtors. If you have any claim against a Debtor related to exposure to any products, raw materials or contaminants listed below that were produced, manufactured, supplied, used or disposed of by Solutia or the former Monsanto Company (now Pharmacia Corporation), at the Indian Orchard/Bircham Bend Plant (formerly the Bircham Bend Plant and Springfield Plant) now owned by Solutia and located at 730 Worcester Street, Springfield, Massachusetts, you **MUST** file a proof of claim form with the Bankruptcy Court according to the instructions in the legal notice above by \_\_\_\_\_ or you will forever lose your rights to recover on your claim in the future.

On December 17, 2003, each of the Debtors commenced bankruptcy cases under chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York. As part of the bankruptcy process, the Debtors are required to provide notice to those who may have a claim caused by exposure to the following "Indian Orchard/Bircham Bend/Springfield Materials":

- The Indian Orchard/Bircham Bend/Springfield Plant contained asbestos-containing materials used for insulation and fireproofing. Asbestos was also used in the manufacture of a product (Resinoid) produced by the Indian Orchard/Bircham Bend/Springfield Plant.

If you, or your property, or your spouse or immediate family member, was exposed to any of the Indian Orchard/Bircham Bend/Springfield Materials, and if that exposure directly or indirectly caused injury that becomes apparent either now or in the future, you may have a claim under various legal theories for damages. Among other things, personal injury damages could relate to physical, emotional or other personal injuries, such as personal or bodily injury, wrongful death, loss of consortium, medical monitoring, survivorship or prosthetic, consequential, general and special damages or punitive damages. Among other things, property-related damages could relate to cost of removal, destruction of property value or economic loss, or proximate, consequential, general and special damages or punitive damages. More information about the definition of "damages" that must be filed before the deadline is included in paragraph 5 of the legal notice that appears above.

To preserve your claim against the Debtors relating to your or your property's exposure to any of the Indian Orchard/Bircham Bend/Springfield Materials, you **MUST** file a proof of claim form before \_\_\_\_\_. If you do not file a proof of claim form, you will forever lose your right to bring any claim against the Debtors in the future. **DEADLINE FOR FILING CLAIMS AGAINST SOLUTIA AND THE OTHER DEBTORS:**

4. On \_\_\_\_\_, the Court entered an order (the "Bar Date Order") establishing \_\_\_\_\_ at 5:00 p.m., Prevaling Eastern Time (the "Bar Date"), as the deadline for filing proofs of claim against the Debtors. The Bar Date applies to all claims against the Debtors that arose before December 17, 2003 (except the Excluded Claims listed in paragraph 6 below). 5. You **MUST** file a proof of claim by the Bar Date if you have any claim against any of the Debtors that arose before December 17, 2003. The Bar Date Order provides that creditors do NOT have to file proofs of claim by the Bar Date for the types of claims and interests listed below in this paragraph 6 (collectively, the "Excluded Claims"). You should not file a proof of claim at this time for any Excluded Claim. The Court may enter one or more separate orders at a later time requiring creditors to file proofs of claim for some kinds of Excluded Claims and setting related deadlines. If the Court does enter such an order, you will receive notice of it. Excluded Claims include:

- (a) claims that were listed in the schedules of assets and liabilities and statements of financial affairs, which were filed by the Debtors on March 2, 2004 and amended on \_\_\_\_\_ (as amended, the "Schedules"), but only if (i) the Schedules did not list those claims as "contingent," "unliquidated" or "disputed," and (ii) the holder of the claim does not dispute the Schedules' description of the amount or classification of the claim or the Debtor that is identified as owing the claim;

## SPECIAL NOTICE TO RESIDENTS OF THE ELKTON AREA

As explained in the legal notice that appears above, Solutia Inc. and certain of its affiliates (collectively, the "Debtors") have filed cases under chapter 11 of the United States Bankruptcy Code. The Bankruptcy Court for those cases has set a deadline for submitting claims against the Debtors. If you have any claim against a Debtor related to exposure to any products, raw materials or contaminants listed below that were reprocessed or disposed of for the former Monsanto Company (Solutia Pharmaceuticals Corporation), at the Spectron Galaxy Site located at 111 Providence Road, Elkton, Maryland or the Maryland Sand and Gravel Site located at Route 40, Elkton, Maryland, you **MUST** file a proof of claim form with the Bankruptcy Court according to the instructions in the legal notice above by \_\_\_\_\_, or you will forever lose your rights to recover on your claim in the future.

On December 17, 2003, each of the Debtors commenced bankruptcy cases under chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York. As part of the bankruptcy process, the Debtors are required to provide notice to those who may have a claim caused by exposure to the following "Spectron Galaxy Materials" or "Maryland S&G Materials":

**Spectron Galaxy Materials**

- The Spectron Galaxy Site is a former waste processing site that received materials from many companies and may have performed some toll distillation of methylene and ethylbenzene.
- Contaminants that may be present at or around the Spectron Galaxy Site include organic chemicals such as trichloroethene, perchloroethene, pesticides, polychlorinated biphenyls (PCBs) and methylene chloride, and inorganic chemicals such as heavy metals.

**Maryland S&G Materials**

- The Maryland Sand and Gravel Site is a former waste disposal site where waste from the Spectron Galaxy site may have been transhipped.
- Contaminants that may be present at or around the Maryland Sand and Gravel Site include organic chemicals such as benzene, chlorobenzene, vinyl chloride, and polychlorinated biphenyls (PCBs), and inorganic chemicals such as heavy metals.

**Maryland S&G Materials**

- If you, or your property, or your spouse or immediate family member, was exposed to any of the Spectron Galaxy Materials or Maryland S&G Materials, and if that exposure directly or indirectly caused injury that becomes apparent either now or in the future, you may have a claim under various legal theories for damages. Among other things, personal injury damages could relate to physical, emotional or other personal injuries, such as personal or bodily injury, wrongful death, loss of consortium, medical monitoring, survivorship or probate, consequential, general and special damages or punitive damages. Among other things, property-related damages could relate to cost of removal, diminution of property value or economic loss, or probate, consequential, general and special damages or punitive damages. More information about the definition of "claim" that must be filed before the deadline is included in paragraph 5 of the legal notice that appears above.

To preserve your claim against the Debtors relating to your or your property's exposure to any of the Spectron Galaxy Materials or Maryland S&G Materials, you **MUST** file a proof of claim form before \_\_\_\_\_. If you do not file a proof of claim form, you will forever lose your right to bring any claim against the Debtors in the future. Filing a proof of claim form does not automatically entitle you to compensation.

- (b) claims for which a proof of claim already has been filed with the Clerk of the United States Bankruptcy Court for the Southern District of New York in a form substantially similar to Official Bankruptcy Form No. 10, against the correct Debtor;
- (c) claims paid in full by any of the Debtors during these chapter 11 cases as authorized by order of the Court;
- (d) claims of current employees of any of the Debtors, to the extent that the Debtors were authorized by the Court to honor those claims in the ordinary course of their business such as for wages and benefits, except that current employees must file proofs of claim by the Bar Date for all other claims arising before December 17, 2003 against the Debtors including claims for wrongful termination, discrimination and claims covered by the Debtors' workers' compensation insurance;
- (e) claims of retired employees of Monsanto or any of the Debtors for retirement benefits, including medical, surgical or hospital care benefits, or benefits in the event of sickness, accident, disability or death under any plan, fund or program (through the purchase of insurance or otherwise) maintained or established in whole or in part by the Debtors before December 17, 2003;
- (f) claims related to the Solutia Inc. Employees' Pension Plan;
- (g) claims allowable under sections 503(b) and 507(a)(1) of the Bankruptcy Code as expenses of administration, including claims for goods and services provided to, and accepted by, the Debtors after December 17, 2003;
- (h) claims which are based exclusively upon principal, interest and other applicable fees and charges on or under the (a) 6.72% Debentures under an indenture, dated October 1, 1997, (b) 11.25% Senior Secured Debentures under an indenture, dated July 9, 2002, (c) 7.375% Debentures under an indenture, dated October 1, 1997 and (d) Bank Credit Agreement, dated October 8, 2003 (collectively, the "Debt Instruments"); provided that (i) the foregoing exclusion will not apply to the Indenture trustee or designated agent under any of the Debt Instruments or related documents, (ii) any indenture trustee or designated agent under any of the Debt Instruments or related documents will be required to file a proof of claim on account of claims for the payment by the Debtors of principal, interest and other applicable fees and charges on or under the Debt Instruments, (iii) any person or entity that wishes to assert a claim arising out of or relating to a Debt Instrument, other than a claim for the payment by the Debtors of principal, interest and other applicable fees and charges on or under the Debt Instrument, will be required to file a proof of claim, unless another exception herein applies and (iv) any indenture trustee or designated agent under any of the Debt Instruments or related documents will only be required to file proofs of claim asserting claims for the payment of principal, interest and other applicable fees and charges on or under the applicable Debt Instruments or against the chapter 11 estates of the Debtor(s) that is (are) the primary obligor(s) on the underlying debt, and if such proof of claim identifies the Debtors, together with their respective chapter 11 case numbers, that are guarantors or otherwise secondary obligors under the applicable Debt Instruments, that proof of claim will be deemed to have been filed against the chapter 11 estate of each guarantor or secondary obligor;
- (i) claims of one Debtor against any of the other Debtors;
- (j) claims of any direct or indirect non-debtor subsidiary of Solutia Inc. against any of the Debtors; and
- (k) equity interests, which interests are based exclusively upon the ownership of common or preferred stock in a corporation, a general or limited partner interest in a limited partnership, a membership interest in a limited liability company or warrants or rights to sell or subscribe to such security or interest (any such interest being referred to as an "interest"); provided that holders of interests who wish to assert a claim against any of the Debtors that arises out of or relates to the ownership or purchase of an interest, including claims arising out of or relating to the sale, issuance or distribution of the interest, must file a proof of claim on or prior to the Bar Date, unless another exception set forth herein applies.

**INSTRUCTIONS FOR FILING PROOFS OF CLAIM:**

7. If you file a proof of claim, your filed proof of claim must (a) be written in the English language, (b) be denominated in United States dollars, (c) be signed by the claimant or, if the claimant is not an individual, by an authorized agent of the claimant, (d) include as attachments any documents on which the claim is based and (e) conform substantially to Official Form No. 10. You can file your proof of claim by either (a) mailing the original proof of claim to Solutia Inc., c/o The Tumbull Group, LLC, P.O. BY ORDER OF THE COURT  
GIBSON, DUNN & CRUTCHER  
Counsel for the Debtors and Debtors in Possession

## SPECIAL NOTICE TO RESIDENTS OF THE TRENTON AREA

As explained in the legal notice that appears above, Solutia Inc. and certain of its affiliates (collectively, the "Debtors") have filed cases under chapter 11 of the United States Bankruptcy Code. The Bankruptcy Court for those cases has set a deadline for submitting claims against the Debtors. If you have any claim against a Debtor related to exposure to any products, raw materials or contaminants listed below that were produced, manufactured, supplied, used or disposed of by Solutia or the former Monsanto Company (n/a Pharmacia Corporation), at the Trenton Plant located at 5045 W. Jefferson Ave., Trenton, Michigan, you **MUST** file a proof of claim with the Bankruptcy Court according to the instructions in the legal notice above by \_\_\_\_\_, or you will forever lose your rights to recover on your claims in the future.

On December 17, 2003, each of the Debtors commenced bankruptcy cases under chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York. As part of the bankruptcy process, the Debtors are required to provide notice to those who may have a claim caused by exposure to the following "Trenton Materials":

- The Trenton Plant produced food grades and technical grades of phosphoric acid, various sodium phosphates, mono and di-ammonium phosphates, polyvinylbutyral, polyvinylbutyral film, calcium phosphates, magnesium phosphates, laundry detergent, ethoxylate surfactants, polyvinyl acetate, ethyl acetate and styrene allyl alcohol copolymers.
- Raw materials used at the Trenton Plant have included elemental phosphorus, phosphoric acid, caustic soda, soda ash, ammonia, butyraldehyde, vinyl acetate, quick lime, magnesium oxide, sodium chloride, sulfuric acid, potassium acetate, hydrogen peroxide, potassium hydroxide, toluene, proprietary plasticizers, nonyl phenol, linear alcohols, talc oil, ethylene oxide, ethanol acetic acid, styrene and allyl alcohol.

- Contaminants that may be present in and around the Plant include inorganic chemicals such as arsenic and other heavy metals, ammonia and phosphorus, and organic chemicals such as nonylphenol, nonylphenol ethoxylates and polychlorinated biphenyls (PCBs).
- The Trenton Plant contained asbestos-containing materials used for insulation and fireproofing. Asbestos was not, and is not, used in any products or raw materials produced, manufactured, supplied or disposed by the Trenton Plant.

If you, or your property, or your spouse or immediate family member, was exposed to any of the Trenton Materials, and if that exposure directly or indirectly caused injury that becomes apparent either now or in the future, you may have a claim under various legal theories for damages. Among other things, personal injury damages could relate to physical, emotional or other personal injuries, such as personal or bodily injury, wrongful death, loss of consortium, medical monitoring, survivorship or proximate, consequential, general and special damages or punitive damages. Among other things, property-related damages could relate to cost of removal, diminution of property value or economic loss, or proximate, consequential, general and special damages or punitive damages. More information about the definition of "claims" that must be filed before the deadline is included in paragraph 5 of the legal notice that appears above.

To preserve your claim against the Debtors relating to your or your property's exposure to any of the Trenton Materials, you **MUST** file a proof of claim form before \_\_\_\_\_. If you do not file a proof of claim form, you will forever lose your right to bring any claim against the Debtors in the future. Filing a proof of claim form does not automatically entitle you to compensation.

**DEADLINE FOR FILING CLAIMS AGAINST SOLUTIA AND THE OTHER DEBTORS:**

4. On \_\_\_\_\_, the Court entered an order (the "Bar Date Order") establishing \_\_\_\_\_ at 5:00 p.m., Prevaling Eastern Time (the "Bar Date"), as the deadline for filing proofs of claim against the Debtors. The Bar Date applies to all claims against the Debtors that arose before December 17, 2003 except the Excluded Claims listed in paragraph 6 below. The Bar Date Order also sets procedures to be used for filing proofs of claim, which are summarized in this notice for your convenience.

5. You **MUST** file a proof of claim by the Bar Date if you have any claim against any of the Debtors that arose before December 17, 2003. The only exception to this requirement is for claims described in paragraph 6, below. Acts or omissions that occurred before December 17, 2003 may give rise to claims subject to the Bar Date even if the claims may not have become known or fixed or liquidated until after December 17, 2003. IF YOU SEEK TO ASSERT ANY CLAIMS RELATED TO MONSANTO'S HISTORIC CHEMICAL BUSINESS OF THE KIND DESCRIBED IN PARAGRAPH 3, ABOVE, YOU MUST FILE A PROOF OF CLAIM BY THE BAR DATE. Under section 101(5) of the Bankruptcy Code and as used herein, the word "claim" means: (a) a right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured or unsecured; or (b) a right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured or unsecured.

6. The Bar Date Order provides that creditors do NOT have to file proofs of claim by the Bar Date for the types of claims and interests listed below in this paragraph 6 (collectively, the "Excluded Claims"). You should not file a proof of claim at this time for any Excluded Claim. The Court may enter one or more separate orders at a later time requiring creditors to file proofs of claim for some kinds of Excluded Claims and setting related deadlines. If the Court does enter such an order, you will receive notice of it. Excluded Claims include:

- (a) claims that were listed in the schedules of assets and liabilities and statements of financial affairs, which were filed by the Debtors on March 2, 2004 and amended on \_\_\_\_\_ (as amended, the "Schedules"), but only if (i) the Schedules did not list those claims as "contingent," "unliquidated" or "disputed," and (ii) the holder of the claim does not dispute the Schedules' description of the amount or classification of the claim or the Debtor that is identified as owing the claim;

- (b) claims for which a proof of claim already has been filed with the Clerk of the United States Bankruptcy Court for the Southern District of New York in a form substantially similar to Official Bankruptcy Form No. 10, against the correct Debtor;
- (c) claims paid in full by any of the Debtors during these chapter 11 cases as authorized by order of the Court;
- (d) claims of current employees of any of the Debtors, to the extent that the Debtors were authorized by the Court to honor those claims in the ordinary course of their business such as for wages and benefits, except that current employees must file proofs of claim by the Bar Date for all other claims arising before December 17, 2003 against the Debtors including claims for wrongful termination, discrimination and claims covered by the Debtors' workers' compensation insurance;
- (e) claims of retired employees of Monsanto or any of the Debtors for retirement benefits, including medical, surgical or hospital care benefits, or benefits in the event of sickness, accident, disability or death under any plan, fund or program (through the purchase of insurance or otherwise) maintained or established in whole or in part by the Debtors before December 17, 2003;
- (f) claims related to the Solutia Inc. Employees' Pension Plan;
- (g) claims allowable under sections 503(b) and 507(a)(1) of the Bankruptcy Code as expenses of administration, including claims for goods and services provided to, and accepted by, the Debtors after December 17, 2003;
- (h) claims which are based exclusively upon principal, interest and other applicable fees and charges on or under the (a) 8.72% Debentures under an Indenture, dated October 1, 1997, (b) 11.25% Senior Secured Debentures under an Indenture, dated July 9, 2002, (c) 7.375% Debentures under an Indenture, dated October 1, 1997 and (d) Bank Credit Agreement, dated October 8, 2003 (collectively, the "Debt Instruments"); provided that (i) the foregoing exclusion will not apply to the Indenture trustee or designated agent under any of the Debt Instruments or related documents, (ii) any Indenture trustee or designated agent under any of the Debt Instruments or related documents will be required to file a proof of claim on account of claims for the repayment by the Debtors of principal, interest and other applicable fees and charges on or under the Debt Instruments, (iii) any person or entity that wishes to assert a claim arising out of or relating to a Debt Instrument, other than a claim for the repayment by the Debtors of principal, interest and other applicable fees and charges on or under the Debt Instrument, will be required to file a proof of claim, unless another exception herein applies and (iv) any Indenture trustee or designated agent under any of the Debt Instruments or related documents will only be required to file proofs of claim asserting claims for the repayment of principal, interest and other applicable fees and charges on or under the applicable Debt Instruments or against the chapter 11 estates of the Debtor(s) that is (are) the primary obligor(s) on the underlying debt, and if such proof of claim identifies the Debtors, together with their respective chapter 11 case numbers, that are guarantors or otherwise secondary obligors under the applicable Debt Instruments, that proof of claim will be deemed to have been filed against the chapter 11 estate of each guarantor or secondary obligor;
- (i) claims of one Debtor against any of the other Debtors;
- (j) claims of any direct or indirect non-debtor subsidiary of Solutia Inc. against any of the Debtors; and
- (k) equity interests, which interests are based exclusively upon the ownership of common or preferred stock in a corporation, a general or limited partner interest in a limited partnership, a membership interest in a limited liability company or warrants or rights to sell or subscribe to such security or interest (any such interest being referred to as an "Interest"); provided that holders of Interests who wish to assert a claim against any of the Debtors that arises out of or relates to the ownership or purchase of an Interest, including claims arising out of or relating to the sale, issuance or distribution of the Interest, must file a proof of claim on or prior to the Bar Date, unless another exception set forth herein applies.

**INSTRUCTIONS FOR FILING PROOFS OF CLAIM:**

7. If you file a proof of claim, your filed proof of claim must (a) be written in the English language, (b) be denominated in lawful currency of the United States, (c) be signed by the claimant or, if the claimant is not an individual, by an authorized agent of the claimant, (d) include as attachments any documents on which the claim is based and (e) conform substantially to Official Form No. 10. YOU SHOULD INCLUDE ALL CLAIMS AGAINST A PARTICULAR DEBTOR IN A SINGLE PROOF OF CLAIM FORM. IF YOU HAVE A CLAIM AGAINST MORE THAN ONE DEBTOR, YOU MUST FILE A SEPARATE PROOF OF CLAIM FORM AGAINST EACH DEBTOR.

9. Your proof of claim form must be filed so as to be received on or before 5:00 p.m. (Prevaling Eastern Time) on \_\_\_\_\_. You can file your proof of claim by either (a) mailing the original proof of claim to Solutia Inc., c/o The Tumbull Group, LLC, P.O. Counsel for the Debtors and Debtors in Possession

## SPECIAL NOTICE TO RESIDENTS OF THE CRYSTAL SPRINGS AREA

As explained in the legal notice that appears above, Solutia Inc. and certain of its affiliates (collectively, the "Debtors") have filed cases under chapter 11 of the United States Bankruptcy Code. The Bankruptcy Court for those cases has set a deadline for submitting claims against the Debtors. If you have any claim against a Debtor related to exposure to any products, raw materials or contaminants listed below that were used by the transformer production plant (the "Kuhlman Plant") currently owned by Kuhlman Electric Corporation (formerly the Kuhlman Electric Company, a division of Kuhlman Corporation) located in Crystal Springs, Mississippi, you **MUST** file a proof of claim form with the Bankruptcy Court according to the instructions in the legal notice above by \_\_\_\_\_ or you will forever lose your rights to recover on your claim in the future.

On December 17, 2003, each of the Debtors commenced bankruptcy cases under chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York. As part of the bankruptcy process, the Debtors are required to provide notice to those who may have a claim caused by exposure to the following "Kuhlman Plant Materials."

- Upon information and belief, certain residents of Crystal Springs, Mississippi may have been exposed to polychlorinated biphenyls (PCBs) at or near the Kuhlman Plant.

The Kuhlman Plant is not, and never has been, owned or operated by the Debtors or the former Monsanto Company (n/a Pharmacia Corporation). However, it has been alleged that various parties, including Solutia Inc. and Monsanto Company manufactured, sold and/or distributed the Kuhlman Plant Materials to the Kuhlman Plant.

If you, or your property, or your spouse or immediate family member, was exposed to any of the Kuhlman Plant Materials, and if that exposure directly or indirectly caused injury that becomes apparent either now or in the future, you may have a claim under various legal theories for damages. Among other things, personal injury damages could relate to physical, emotional or other personal injuries, such as personal or bodily injury, wrongful death, loss of consortium, medical monitoring, survivorship or proximity, consequential, general and special damages or punitive damages. Among other things, property-related damages could relate to cost of removal, diminution of property value or economic loss, or proximate, consequential, general and special damages or punitive damages. More information about the definition of "claims" that must be filed before the deadline is included in paragraph 5 of the legal notice that appears above.

To preserve your claim against the Debtors relating to your or your property's exposure to any of the Kuhlman Plant Materials, you **MUST** file a proof of claim form before \_\_\_\_\_. If you do not file a proof of claim form, you will forever lose your right to bring any claim against the Debtors in the future. Filing a proof of claim form does not automatically entitle you to compensation.

For more information about the filing process and/or to receive a proof of claim form, please call 1-866-378-1484.

Counsel for the Debtors and Debtors in Possession

## SPECIAL NOTICE TO RESIDENTS OF THE BRIDGEPORT/CAMDEN AREAS

As explained in the legal notice that appears above, Solutia Inc. and certain of its affiliates (collectively, the "Debtors") have filed cases under chapter 11 of the United States Bankruptcy Code. The Bankruptcy Court for those cases has set a deadline for submitting claims against the Debtors. If you have any claim against a Debtor related to exposure to any products, raw materials or contaminants listed below that were produced, manufactured, supplied, used or disposed of by the former Monsanto Company (n/a Pharmacia Corporation), at the Delaware River Plant now partially owned by Solutia and located at Route 130 South, Bridgeport, New Jersey or Monsanto's former Camden Plant now owned by Solutia located at 1500 Pine Street, Camden, New Jersey, you **MUST** file a proof of claim form with the Bankruptcy Court according to the instructions in the legal notice above by \_\_\_\_\_, or you will forever lose your rights to recover on your claims in the future.

On December 17, 2003, each of the Debtors commenced bankruptcy cases under chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York. As part of the bankruptcy process, the Debtors are required to provide notice to those who may have a claim caused by exposure to the following "Delaware River Materials" or "Camden Materials."

**Delaware River Materials**

- The Delaware River Plant produced alkyl benzyl phthalates, various dialkyl phthalates, alkyl diphenyl phosphates, dibutyl phosphates, triphenyl phosphates, dialkyl adipates, tetrachlorophthalic anhydrides, benzyl chloride and muriatic acid.
- Raw materials used at the Delaware River Plant have included phthalic anhydride, butanol, toluene, chloroform, C7-9 alcohol, tetanol, undecyl alcohol, C7-11 alcohol, 2-ethylhexyl alcohol, isodecyl alcohol, butanol, phenol, phosphorus oxychloride, heptyl and nonyl alcohol.
- Contaminants that may be present at or around the Delaware River Plant include organic chemicals such as benzene, ethylbenzene, hexachlorobenzene, toluene, and xylenes, bis(2-ethylhexyl) phthalate, butyl benzyl phthalate, di-n-butyl phthalate, phenol and polychlorinated biphenyls (PCBs).
- The Delaware River Plant contained asbestos-containing materials used for insulation and fireproofing. Asbestos was

not, and is not, used in any products or raw materials produced, manufactured, supplied or disposed by the Delaware River Plant.

**Camden Materials**

- The Camden Plant produced natural and synthetic bone ash, lampblack and ammonium polyphosphate.
- Raw materials used at the Camden Plant included steamed animal bone meal, phosphoric acid, lime, heavy grade oils, monoammonium phosphate, diammonium phosphate and urea.
- Contaminants that may be present at or around the Camden Plant include organic chemicals such as benzene, diesel and petroleum compounds and inorganic chemicals such as arsenic and lead.
- The Camden Plant contained asbestos-containing materials used for insulation and fireproofing. Asbestos was not, and is not, used in any products or raw materials produced, manufactured, supplied or disposed by the Camden Plant.

If you, or your property, or your spouse or immediate family member, was exposed to any of the Delaware River Materials or Camden Materials, and if that exposure directly or indirectly caused injury that becomes apparent either now or in the future, you may have a claim under various legal theories for damages. Among other things, personal injury damages could relate to physical, emotional or other personal injuries, such as personal or bodily injury, wrongful death, loss of consortium, medical monitoring, survivorship or prodimate, consequential, general and special damages or punitive damages. Among other things, property-related damages could relate to cost of removal, diminution of property value or economic loss, or prodimate, consequential, general and special damages or punitive damages. More information about the definition of "claims" that must be filed before the deadline is included in paragraph 5 of the legal notice that appears above.

To preserve your claim against the Debtors relating to your or your property's exposure to any of the Delaware River Materials or Camden Materials, you **MUST** file a proof of claim form before \_\_\_\_\_. If you do not file a proof of claim form, you will forever lose your right to bring any claim against the Debtors in the future. Filing a proof of claim form does not automatically entitle you to compensation.

**DEADLINE FOR FILING CLAIMS AGAINST SOLUTIA AND THE OTHER DEBTORS:**

4. On \_\_\_\_\_, the Court entered an order (the "Bar Date Order") establishing \_\_\_\_\_ at 5:00 p.m. (Prevaling Eastern Time) (the "Bar Date"), as the deadline for filing proofs of claim against the Debtors. The Bar Date applies to all claims against the Debtors that arose before December 17, 2003 except the Excluded Claims listed in paragraph 6 below. The Bar Date Order also sets procedures to be used for filing proofs of claim, which are summarized in this notice for your convenience.

5. You **MUST** file a proof of claim by the Bar Date if you have any claim against any of the Debtors that arose before December 17, 2003. The only exception to this requirement is for claims described in paragraph 6, below. Acts or omissions that occurred before December 17, 2003 may give rise to claims subject to the Bar Date even if the claims may not have become known or fixed or liquidated until after December 17, 2003. Under section 101(5) of the Bankruptcy Code and as used herein, the word "claim" means: (a) a right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured or unsecured; or (b) a right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured or unsecured.

6. The Bar Date Order provides that creditors do NOT have to file proofs of claim by the Bar Date for the types of claims and interests listed below in this paragraph 6 (collectively, the "Excluded Claims"). You should not file a proof of claim at this time for any Excluded Claim. The Court may enter one or more separate orders at a later time requiring creditors to file proofs of claim for some kinds of Excluded Claims and setting related deadlines. If the Court does enter such an order, you will receive notice of it. Excluded Claims include:

- (a) claims that were listed in the schedules of assets and liabilities and statements of financial affairs, which were filed by the Debtors on March 2, 2004 and amended on \_\_\_\_\_ (as amended, the "Schedules"), but only if (i) the Schedules did not list these claims as "contingent," "unliquidated" or "disputed," and (ii) the holder of the claim does not dispute the Schedules' description of the amount or classification of the claim or the Debtor that is identified as owing the claim;
- (b) claims for which a proof of claim already has been filed with the Clerk of the United States Bankruptcy Court for the

- Southern District of New York in a form substantially similar to Official Bankruptcy Form No. 10, against the correct Debtor;

- (e) claims of retired employees of Monsanto or any of the Debtors for retirement benefits, including medical, surgical or hospital care benefits, or benefits in the event of sickness, accident, disability or death under any plan, fund or program (through the purchase of insurance or otherwise) maintained or established in whole or in part by the Debtors before December 17, 2003;
- (f) claims related to the Solutia Inc. Employees' Pension Plan;
- (g) claims allowable under sections 503(b) and 507(a)(1) of the Bankruptcy Code as expenses of administration, including claims for goods and services provided to, and accepted by, the Debtors after December 17, 2003;
- (h) claims which are based exclusively upon principal, interest and other applicable fees and charges on or under the (a) 6.72% Debentures under an indenture, dated October 1, 1997, (b) 11.25% Senior Secured Debentures under an indenture, dated July 9, 2002, (c) 7.375% Debentures under an indenture, dated October 1, 1997 and (d) Bank Credit Agreement, dated October 8, 2003 (collectively, the "Debt Instruments"); provided that (i) the foregoing exclusion will not apply to the indenture trustee or designated agent under any of the Debt Instruments or related documents, (ii) any indenture trustee or designated agent under any of the Debt Instruments or related documents will be required to file a proof of claim on account of claims for the repayment by the Debtors of principal, interest and other applicable fees and charges on or under the Debt Instruments, (iii) any person or entity that wishes to assert a claim arising out of or relating to a Debt Instrument, other than a claim for the repayment by the Debtors of principal, interest and other applicable fees and charges on or under the Debt Instrument, will be required to file a proof of claim, unless another exception herein applies and (iv) any indenture trustee or designated agent under any of the Debt Instruments or related documents will only be required to file proofs of claim asserting claims for the repayment of principal, interest and other applicable fees and charges on or under the applicable Debt Instruments or against the chapter 11 estate of the Debtor(s) that is (are) the primary obligor(s) on the underlying debt, and if such proof of claim identifies the Debtors, together with their respective chapter 11 case numbers, that are guarantors or otherwise secondary obligors under the applicable Debt Instruments, that proof of claim will be deemed to have been filed against the chapter 11 estate of each guarantor or secondary obligor;

## SPECIAL NOTICE TO RESIDENTS OF THE NEWARK AND KEARNY AREA

As explained in the legal notice that appears above, Solutia Inc. and certain of its affiliates (collectively, the "Debtors") have filed cases under chapter 11 of the United States Bankruptcy Code. The Bankruptcy Court for those cases has set a deadline for submitting claims against the Debtors. If you have any claim against a Debtor related to exposure to any products, raw materials or contaminants listed below that were produced, manufactured, supplied, used or disposed of by the former Monsanto Company (nuka Pharmaceuticals Corporation), at the Bayonne Barrel Facility located at 180-184 Raymond Boulevard, Newark, New Jersey or Monsanto's former Kearny Plant located at 25 Pennsylvania Ave., Kearny, New Jersey, you **MUST** file a proof of claim form with the Bankruptcy Court according to the instructions in the legal notice above by \_\_\_\_\_, or you will forever lose your rights to recover on your claim in the future.

On December 17, 2003, each of the Debtors commenced bankruptcy cases under chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York. As part of the bankruptcy process, the Debtors are required to provide notice to those who may have a claim caused by exposure to the following "Bayonne Barrel Materials" or "Kearny Materials."

**Bayonne Barrel Materials**

- The Bayonne Barrel Facility is a former drum reconditioning facility where drums from Solutia's Indian Orchard Plant (formerly known as the Bircham Band Plant and the Springfield Plant) located in Springfield, Massachusetts may have been sent for reconditioning.
- Contaminants include a variety of inorganic and organic chemicals reflecting a multitude of users.

**Kearny Plant Materials**

- The Kearny Plant produced food grade and technical grade phosphoric acid, food grade and technical grade sodium

tripolyphosphate, allylphenyl ethoxystates, maleic anhydride, and linear alkylbenzene.

- Raw materials used at the Kearny Plant have included elemental phosphorus, phosphoric acid, caustic soda, ethylene oxide, phenol, nonene, propylene tetramer, paraffin, olefin, and benzene.

If you, or your property, or your spouse or immediate family member, was exposed to any of the Bayonne Barrel Materials or Kearny Materials, and if that exposure directly or indirectly caused injury that becomes apparent either now or in the future, you may have a claim under various legal theories for damages. Among other things, personal injury damages could relate to physical, emotional or other personal injuries, such as personal or bodily injury, wrongful death, loss of consortium, medical monitoring, survivorship or probate, consequential, general and special damages or punitive damages. Among other things, property-related damages could relate to cost of removal, diminution of property value or economic loss, or probate, consequential, general and special damages or punitive damages. More information about the definition of "claims" that must be filed before the deadline is included in paragraph 5 of the legal notice that appears above.

To preserve your claim against the Debtors relating to your or your property's exposure to any of the Bayonne Barrel Materials or Kearny Materials, you **MUST** file a proof of claim form before \_\_\_\_\_. If you do not file a proof of claim form, you will forever lose your right to bring any claim against the Debtors in the future. **DEADLINE FOR FILING CLAIMS AGAINST SOLUTIA AND THE OTHER DEBTORS:**

4. On \_\_\_\_\_, the Court entered an order (the "Bar Date Order") establishing \_\_\_\_\_ at 5:00 p.m., Prevaling Eastern Time (the "Bar Date"), as the deadline for filing proofs of claim against the Debtors. The Bar Date applies to all claims against the Debtors that arose before December 17, 2003 except the Excluded Claims listed in paragraph 6 below. The Bar Date Order also sets procedures to be used for filing proofs of claim, which are summarized in this notice for your convenience.

5. You **MUST** file a proof of claim by the Bar Date if you have any claim against any of the Debtors that arose before December 17, 2003. The only exception to this requirement is for claims described in paragraph 6, below. Acts or omissions that occurred before December 17, 2003 may give rise to claims subject to the Bar Date even if the claims may not have become known or fixed or liquidated until after December 17, 2003. IF YOU SEEK TO ASSERT ANY CLAIMS RELATED TO MONSANTO'S HISTORIC CHEMICAL BUSINESS OF THE KIND DESCRIBED IN PARAGRAPH 3, ABOVE, YOU MUST FILE A PROOF OF CLAIM BY THE BAR DATE. ANY CLAIMS YOU HAVE AGAINST THE CHEMICALS BUSINESS OR SOLUTIA MUST BE TIMELY FILED AND IF NOT, WILL BE FOREVER BARRED. Under section 101(5) of the Bankruptcy Code and as used herein, the word "claim" means: (a) a right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured or unsecured; or (b) a right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured or unsecured.

6. The Bar Date Order provides that creditors do NOT have to file proofs of claim by the Bar Date for the types of claims and interests listed below in this paragraph 6 (collectively, the "Excluded Claims"). You should not file a proof of claim at this time for any Excluded Claim. The Court may enter one or more separate orders at a later time requiring creditors to file proofs of claim for some kinds of Excluded Claims and setting related deadlines. If the Court does enter such an order, you will receive notice of it. Excluded Claims include:

- (a) claims that were listed in the schedules of assets and liabilities and statements of financial affairs, which were filed by the Debtors on March 2, 2004 and amended on \_\_\_\_\_ (as amended, the "Schedules"), but only if (i) the Schedules did not list those claims as "contingent," "unliquidated" or "disputed," and (ii) the holder of the claim does not dispute the Schedules' description of the amount or classification of the claim or the Debtor that is identified as owing the claim;
- (b) claims for which a proof of claim already has been filed with the Clerk of the United States Bankruptcy Court for the

- Southern District of New York in a form substantially similar to Official Bankruptcy Form No. 10, against the correct Debtor;
- (c) claims paid in full by any of the Debtors during these chapter 11 cases as authorized by order of the Court;
- (d) claims of current employees of any of the Debtors, to the extent that the Debtors were authorized by the Court to honor those claims in the ordinary course of their business such as for wages and benefits, except that current employees must file proofs of claim by the Bar Date for all other claims arising before December 17, 2003 against the Debtors including claims for wrongful termination, discrimination and claims covered by the Debtors' workers' compensation insurance;
- (e) claims of retired employees of Monsanto or any of the Debtors for retirement benefits, including medical, surgical or hospital care benefits, or benefits in the event of sickness, accident, disability or death under any plan, fund or program (through the purchase of insurance or otherwise) maintained or established in whole or in part by the Debtors before December 17, 2003;
- (f) claims related to the Solutia Inc. Employees' Pension Plan;
- (g) claims allowable under sections 503(b) and 507(a)(1) of the Bankruptcy Code as expenses of administration, including claims for goods and services provided to, and accepted by, the Debtors after December 17, 2003;
- (h) claims which are based exclusively upon principal, interest and other applicable fees and charges on or under the (a) 6.72% Debentures under an indenture, dated October 1, 1997, (b) 11.25% Senior Secured Debentures under an indenture, dated July 9, 2002, (c) 7.375% Debentures under an indenture, dated October 1, 1997 and (d) Bank Credit Agreement, dated October 8, 2003 (collectively, the "Debt Instruments"); provided that (i) the foregoing exclusion will not apply to the indenture trustee or designated agent under any of the Debt Instruments or related documents, (ii) any indenture trustee or designated agent under any of the Debt Instruments or related documents will be required to file a proof of claim on account of claims for the payment by the Debtors of principal, interest and other applicable fees and charges on or under the Debt Instruments, (iii) any person or entity that wishes to assert a claim arising out of or relating to a Debt Instrument, other than a claim for the payment by the Debtors of principal, interest and other applicable fees and charges on or under the Debt Instrument, will be required to file a proof of claim, unless another exception herein applies and (iv) any indenture trustee or designated agent under any of the Debt Instruments or related documents will only be required to file proofs of claim asserting claims for the payment of principal, interest and other applicable fees and charges on or under the applicable Debt Instruments or against the chapter 11 estate of the Debtor(s) that is (are) the primary obligor(s) on the underlying debt, and if such proof of claim identifies the Debtors, together with their respective chapter 11 case numbers, that are guarantors or otherwise secondary obligors under the applicable Debt Instruments, that proof of claim will be deemed to have been filed against the chapter 11 estate of each guarantor or secondary obligor;
- (i) claims of one Debtor against any of the other Debtors;
- (j) claims of any direct or indirect non-debtor subsidiary of Solutia Inc. against any of the Debtors; and
- (k) equity interests, which interests are based exclusively upon the ownership of common or preferred stock in a corporation, a general or limited partner interest in a limited partnership, a membership interest in a limited liability company or warrants or rights to sell or subscribe to such security or interest (any such interest being referred to as an "interest"); provided that holders of interests who wish to assert a claim against any of the Debtors that arises out of or relates to the ownership or purchase of an interest, including claims arising out of or relating to the sale, issuance or distribution of the interest, must file a proof of claim on or prior to the Bar Date, unless another exception set forth herein applies.

**INSTRUCTIONS FOR FILING PROOFS OF CLAIM:**

7. If you file a proof of claim, your filed proof of claim must (a) be written in the English language, (b) be denominated in lawful currency of the United States, (c) be signed by the claimant or, if the claimant is not an individual, by an authorized agent of the claimant, (d) include as attachments any documents on which the claim is based and (e) conform substantially to Official Form No. 10. You may obtain a proof of claim form from any bankruptcy court clerk's office, from your lawyer, from certain business supply stores, from [www.uscourts.gov/bankform](http://www.uscourts.gov/bankform), or by calling 1-866-378-1484.

8. YOU MUST SPECIFICALLY IDENTIFY THE DEBTOR AGAINST WHICH YOU ASSERT A CLAIM, BY NAME AND PROPER CHAPTER 11 CASE NUMBER. YOU SHOULD INCLUDE ALL CLAIMS AGAINST A PARTICULAR DEBTOR IN A SINGLE PROOF OF CLAIM FORM. IF YOU HAVE A CLAIM AGAINST MORE THAN ONE DEBTOR, YOU MUST FILE A SEPARATE PROOF OF CLAIM FORM AGAINST EACH DEBTOR.

9. Your proof of claim form must be filed so as to be received on or before 5:00 p.m. (Prevaling Eastern Time) on \_\_\_\_\_. You can file your proof of claim by either (a) mailing the original proof of claim to Solutia Inc., c/o The Trumbull Group, LLC, P.O. Box 5018, Bowling Green Station, New York, NY 10274-5018 or by (b) delivering the proof of claim form by overnight courier or by hand delivery to Solutia Inc. c/o Trumbull Group, LLC, Southern District of New York One Bowling Green, Room 534, New York, NY 10004-1408 (tel. (866) 667-3656).

**CONSEQUENCES OF MISSING THE DEADLINE FOR FILING CLAIMS:**

10. EXCEPT WITH RESPECT TO EXCLUDED CLAIMS (AS DESCRIBED IN SECTION 6), IF YOU FAIL TO FILE A PROOF OF CLAIM ON OR BEFORE 5:00 P.M. (PREVAILING EASTERN TIME) ON \_\_\_\_\_ ON ACCOUNT OF ANY CLAIM YOU WISH TO ASSERT AGAINST ANY OF THE DEBTORS, THEN

Counsel for the Debtors and Debtors in Possession

## SPECIAL NOTICE TO RESIDENTS OF THE ADDYSTON AREA

As explained in the legal notice that appears above, Solutia Inc. and certain of its affiliates (collectively, the "Debtors") have filed cases under chapter 11 of the United States Bankruptcy Code. The Bankruptcy Court for those cases has set a deadline for submitting claims against the Debtors. If you have any claim against a Debtor related to exposure to any products, raw materials or contaminants listed below that were produced, manufactured, supplied, used or disposed of by the former Monsanto Company (a/k/a Pharmacia Corporation) at Monsanto's former Port Plastics Plant located at 358 Three Rivers Parkway, Addyston, Ohio, you **MUST** file a proof of claim with the Bankruptcy Court according to the instructions in the legal notice above by \_\_\_\_\_ or you will forever lose your rights to recover on your claim in the future.

On December 17, 2003, each of the Debtors commenced bankruptcy cases under chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York. As part of the bankruptcy process, the Debtors are required to provide notice to those who may have a claim caused by exposure to the following "Port Plastics Materials."

- The Port Plastics Plant produced acrylonitrile-butadiene-styrene thermoplastics, styrene-acrylonitrile molding resins, styrene-maleic anhydride engineering thermoplastic resins, styrene-maleic anhydride copolymer resins, polystyrene resins, polystyrene dispersions laminated plastic board, melamine-formaldehyde resin, urea-formaldehyde resin, formaldehyde, acrylonitrile-butadiene-styrene-polyamide resin blend, acrylonitrile-EPDM-styrene and acrylonitrile-styrene-acrylate copolymers.
- Raw materials used at the Port Plastics Plant have included acrylonitrile, butadiene, styrene, maleic anhydride,

- melamine, formaldehyde, oxides, EPDM and acrylic acid.
- Contaminants that may be present at or around the Port Plastics Plant include organic compounds such as acrylonitrile, ethybenzene, formaldehyde, methyl ethyl ketone, styrene and phenol, and inorganic chemicals such as cadmium, chromium, lead and mercury.

The Port Plastics Plant contained asbestos-containing materials used for insulation and fireproofing. Asbestos was not, and is not, used in any products or raw materials produced, manufactured, supplied or disposed of by the Port Plastics Plant. If you, or your property, or your spouse or immediate family member, was exposed to any of the Port Plastics Materials, and if that exposure directly or indirectly caused injury that becomes apparent either now or in the future, you may have a claim under various legal theories for damages. Among other things, personal injury damages could relate to physical, emotional or other personal injuries, such as personal or bodily injury, wrongful death, loss of consortium, medical monitoring, survivorship or probate, consequential, general and special damages or punitive damages. Among other things, property-related damages could relate to cost of removal, diminution of property value or economic loss, or premature, consequential, general and special damages or punitive damages. More information about the definition of "claims" that must be filed before the deadline is included in paragraph 5 of the legal notice that appears above.

To preserve your claim against the Debtors relating to your or your property's exposure to any of the Port Plastics Materials, you **MUST** file a proof of claim form before \_\_\_\_\_. If you do not file a proof of claim form, you will forever lose your right to bring any claim against the Debtors in the future. Filing a proof of claim form does not automatically entitle you to compensation.

For more information about the filing process and/or to receive a proof of claim form, please call 1-866-378-1484.

The Bar Date Order also sets procedures to be used for filing proofs of claim, which are summarized in this notice for your convenience.

5. You **MUST** file a proof of claim by the Bar Date if you have any claim against any of the Debtors that arose before December 17, 2003. If the Court does enter such an order, you will receive notice of it. Excluded Claims include:

- (a) claims that were listed in the schedules of assets and liabilities and statements of financial affairs, which were filed by the Debtors on March 2, 2004 and amended on \_\_\_\_\_ (as amended, the "Schedules"), but only if (i) the Schedules did not list those claims as "contingent," "unliquidated" or "disputed," and (ii) the holder of the claim does not dispute the Schedules' description of the amount or classification of the claim or the Debtor that is identified as owing the claim;

BY ORDER OF THE COURT  
GIBSON, DUNN & CRUTCHER  
Counsel for the Debtors and Debtors in Possession

## SPECIAL NOTICE TO RESIDENTS OF THE BEAVER CREEK AREA

As explained in the legal notice that appears above, Solutia Inc. and certain of its affiliates (collectively, the "Debtors") have filed cases under chapter 11 of the United States Bankruptcy Code. The Bankruptcy Court for those cases has set a deadline for submitting claims against the Debtors. If you have any claim against a Debtor related to exposure to any products, raw materials or contaminants listed below that were produced, manufactured, supplied, used or disposed of by the former Monsanto Company (N/A/Pharmacia Corporation), at the Lammer's Barrel Factory Site located at 3990 East Patterson Road, Beaver Creek, Ohio, you **MUST** file a proof of claim with the Bankruptcy Court according to the instructions in the legal notice above by \_\_\_\_\_, or you will forever lose your rights to recover on your claims in the future.

On December 17, 2003, each of the Debtors commenced bankruptcy cases under chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York. As part of the bankruptcy process, the Debtors are required to provide notice to those who may have a claim caused by exposure to the following "Lammer's Materials":

- The Lammer's Barrel Factory Superfund Site was a former waste recycling site located on vacant land in the Valleywood Subdivision that received wastes from several companies and may have received wastes from the Debtors' Port Plastics Plant located at 356 Three Rivers Parkway, Addyston, Ohio.

• Contaminants that may be present at or around the Lammer's Barrel Factory Superfund Site include organic chemicals such as vinyl chloride, 1,2-dichloroethane, and polychlorinated biphenyls (PCBs) and inorganic chemicals such as heavy metals.

If you, or your property, or your spouse or immediate family member, was exposed to any of the Lammer's Materials, and if that exposure directly or indirectly caused injury that becomes apparent either now or in the future, you may have a claim under various legal theories for damages. Among other things, personal injury damages could relate to physical, emotional or other personal injuries, such as personal or bodily injury, wrongful death, loss of consortium, medical monitoring, survivorship or probate, consequential, general and special damages or punitive damages. Among other things, property-related damages could relate to cost of removal, diminution of property value or economic loss, or probate, consequential, general and special damages or punitive damages. **DEADLINE FOR FILING CLAIMS AGAINST SOLUTIA AND THE OTHER DEBTORS:**

4. On \_\_\_\_\_, the Court entered an order (the "Bar Date Order") establishing \_\_\_\_\_, at \_\_\_\_\_, as the deadline for filing proofs of claim against the Debtors. The Bar Date applies to all claims against the Debtors that arose before December 17, 2003 (except the Excluded Claims listed in paragraph 6 below). The Bar Date Order also sets procedures to be used for filing proofs of claim, which are summarized in this notice for your convenience.

5. You **MUST** file a proof of claim by the Bar Date if you have any claim against any of the Debtors that arose before December 17, 2003. The only exception to this requirement is for claims described in paragraph 6, below. 6. The Bar Date Order provides that creditors do NOT have to file proofs of claim by the Bar Date for the types of claims and interests listed below in this paragraph 6 (collectively, the "Excluded Claims"). You should not file a proof of claim at this time for any Excluded Claims. The Court may enter one or more separate orders at a later time requiring creditors to file proofs of claim for some kinds of Excluded Claims and setting related deadlines. If the Court does enter such an order, you will receive notice of it. Excluded Claims include:

- (a) claims that were listed in the schedules of assets and liabilities and statements of financial affairs, which were filed by the Debtors on March 2, 2004 and amended on \_\_\_\_\_ (as amended, the "Schedules"), but only if (i) the Schedules did not list those claims as "contingent," "unliquidated" or "disputed," and (ii) the holder of the claim does not dispute the Schedules' description of the amount or classification of the claim or the Debtor that is identified as owing the claim;
- (b) claims for which a proof of claim already has been filed with the Clerk of the United States Bankruptcy Court for the

- (e) claims of retired employees of Monsanto or any of the Debtors for retirement benefits, including medical, surgical or hospital care benefits, or benefits in the event of sickness, accident, disability or death under any plan, fund or program (through the purchase of insurance or otherwise) maintained or established in whole or in part by the Debtors before December 17, 2003;

## SPECIAL NOTICE TO RESIDENTS OF THE COVENTRY AREA

As explained in the legal notice that appears above, Solutia Inc. and certain of its affiliates (collectively, the "Debtors") have filed cases under chapter 11 of the United States Bankruptcy Code. The Bankruptcy Court for those cases has set a deadline for submitting claims against the Debtors. If you have any claim against a Debtor related to exposure to any products, raw materials or contaminants listed below that were produced, manufactured, supplied, used or disposed of by the former Monsanto Company (n/v/a Pharmacia Corporation), at the Picolo Site located at 200 Piggy Lane, Coventry, Rhode Island, you **MUST** file a proof of claim form with the Bankruptcy Court according to the instructions in the legal notice above by \_\_\_\_\_, or you will forever lose your rights to recover on your claims in the future.

On December 17, 2003, each of the Debtors commenced bankruptcy cases under chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York. As part of the bankruptcy process, the Debtors are required to provide notice to those who may have a claim caused by exposure to the following Picolo Materials:

- The Picolo Site is a former waste disposal site that was used by several companies.
- Waste may have been shipped to the Picolo Site from the Indian Orchard Plant (now owned by Solutia and formerly known as the Bircham Bend Plant and the Springfield Plant) located in Springfield, Massachusetts.

• Contaminants that may be present at or around the Picolo Site include organic chemicals such as phenol, polychlorinated biphenyls (PCBs), pesticides and 1,2-dichlorobenzene, and inorganic chemicals such as various heavy metals.

If you, or your property, or your spouse or immediate family member, was exposed to any of the Picolo Materials, and if that exposure directly or indirectly caused injury that becomes apparent either now or in the future, you may have a claim under various legal theories for damages. Among other things, personal injury damages could relate to physical, emotional or other personal injuries, such as personal or bodily injury, wrongful death, loss of consortium, medical monitoring, survivorship or probate, consequential, general and special damages or punitive damages. Among other things, property-related damages could relate to cost of removal, diminution of property value or economic loss, or probate, consequential, general and special damages or punitive damages. More information about the definition of "claims" that must be filed before the deadline is included in paragraph 5 of the legal notice that appears above.

To preserve your claim against the Debtors relating to your or your property's exposure to any of the Picolo Materials, you **MUST** file a proof of claim form before \_\_\_\_\_, or you do not file a proof of claim form, you will forever lose your right to bring any claim against the Debtors in the future. Filing a proof of claim form does not automatically entitle you to compensation.

For more information about the filing process and/or to receive a proof of claim form, please call 1-866-378-1484.

Counsel for the Debtors and Debtors in Possession

## SPECIAL NOTICE TO RESIDENTS OF THE GREENWOOD AREA

As explained in the legal notice that appears above, Solutia Inc. and certain of its affiliates (collectively, the "Debtors") have filed cases under chapter 11 of the United States Bankruptcy Code. The Bankruptcy Court for those cases has set a deadline for submitting claims against the Debtors. If you have any claim against a Debtor related to exposure to any products, raw materials or contaminants listed below that were produced, manufactured, supplied, used or disposed of by Solutia or the former Monsanto Company (now Pharmacia Corporation), at the Greenwood Plant located at 1515 Hwy 246 S, Greenwood, South Carolina, you **MUST** file a proof of claim with the Bankruptcy Court according to the instructions in the legal notice above by \_\_\_\_\_, or you will forever lose your rights to recover on your claim in the future.

On December 17, 2003, each of the Debtors commenced bankruptcy cases under chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York. As part of the bankruptcy process, the Debtors are required to provide notice to those who may have a claim caused by exposure to the following "Greenwood Materials":

- The Greenwood Plant produced nylon filament yarn.
- Raw materials and other chemicals used at the Greenwood Plant have included nylon salt, nylon salt, adipic acid, hydrogenated polyphenyls and hexamethylenediamine, and various fiber finishes comprised of mixtures of vegetable oils, alkylated and sulfonated vegetable oils and hydrogenated vegetable oil esters, mineral oils, fatty acids, fatty alcohols, amines and fatty esters, fatty acid ethoxylates/propoxylates, amines, glycols, alcohols, alcohol phosphate ethoxylate, phenolic and thioester antioxidants, acetone polymers, esters, polyol ester, triethanol amine, and diethylene glycol.
- Contaminants that may be present at or around the Greenwood Plant include organic chemicals such as

### Indichloroethylene.

- The Greenwood Plant contained asbestos-containing materials used for insulation and fireproofing. Asbestos was not, and is not, used in any products or raw materials produced, manufactured, supplied or disposed of by the Greenwood Plant.

If you, or your property, or your spouse or immediate family member, was exposed to any of the Greenwood Materials, and if that exposure directly or indirectly caused injury that becomes apparent either now or in the future, you may have a claim under various legal theories for damages. Among other things, personal injury damages could relate to physical, emotional or other personal injuries, such as personal or bodily injury, wrongful death, loss of consortium, medical monitoring, survivorship or proximate, consequential, general and special damages or punitive damages. Among other things, property-related damages could relate to cost of removal, diminution of property value or economic loss, or proximate, consequential, general and special damages or punitive damages. More information about the definition of "claims" that must be filed before the deadline is included in paragraph 5 of the legal notice that appears above.

To preserve your claim against the Debtors relating to your or your property's exposure to any of the Greenwood Materials, you **MUST** file a proof of claim form before \_\_\_\_\_. If you do not file a proof of claim form, you will forever lose your right to bring any claims against the Debtors in the future. Filing a proof of claim form does not automatically entitle you to compensation.

For more information about the filing process and/or to receive a proof of claim form, please call 1-866-378-1484.

As part of the spin-off, Solutia may be responsible for claims against Monsanto that were related to Monsanto's historic chemical business.

**DEADLINE FOR FILING CLAIMS AGAINST SOLUTIA AND THE OTHER DEBTORS:**

4. On \_\_\_\_\_, the Court entered an order (the "Bar Date Order") establishing \_\_\_\_\_ at \_\_\_\_\_ p.m., Prevailing Eastern Time (the "Bar Date"), as the deadline for filing proofs of claim against the Debtors. The Bar Date applies to all claims against the Debtors that arose before December 17, 2003 except the Excluded Claims listed in paragraph 6 below. The Bar Date Order also sets procedures to be used for filing proofs of claim, which are summarized in this notice for your convenience.

5. You **MUST** file a proof of claim by the Bar Date if you have any claim against any of the Debtors that arose before December 17, 2003. The only exception to this requirement is for claims described in paragraph 6, below. Acts or omissions that occurred before December 17, 2003 may give rise to claims subject to the Bar Date even if the claims may not have become known or fixed or liquidated until after December 17, 2003. 6. The Bar Date Order provides that creditors do NOT have to file proofs of claim by the Bar Date for the types of claims and interests listed below in this paragraph 6 (collectively, the "Excluded Claims"). You should not file a proof of claim at this time for any Excluded Claim. The Court may enter one or more separate orders at a later time requiring creditors to file proofs of claim for some kinds of Excluded Claims and setting related deadlines. If the Court does enter such an order, you will receive notice of it. Excluded Claims include:

- claims that were listed in the schedules of assets and liabilities and statements of financial affairs, which were filed by the Debtors on March 2, 2004 and amended on \_\_\_\_\_ (as amended, the "Schedules"), but only if (i) the Schedules did not list those claims as "contingent," "unliquidated" or "disputed," and (ii) the holder of the claim does not dispute the Schedules' description of the amount or classification of the claim or the Debtor that is identified as owing the claim;
- claims for which a proof of claim already has been filed with the Clerk of the United States Bankruptcy Court for the

- claims of retired employees of Monsanto or any of the Debtors for retirement benefits, including medical, surgical or hospital care benefits, or benefits in the event of sickness, accident, disability or death under any plan, fund or program (through the purchase of insurance or otherwise) maintained or established in whole or in part by the Debtors before December 17, 2003;
- claims related to the Solutia Inc. Employees' Pension Plan;

- claims which are based exclusively upon principal, interest and other applicable fees and charges on or under the (a) 6.72% Debentures under an indenture, dated October 1, 1997, (b) 11.25% Senior Secured Debentures under an indenture, dated July 9, 2002, (c) 7.375% Debentures under an indenture, dated October 1, 1997 and (d) Bank Credit Agreement, dated October 8, 2003 (collectively, the "Debt Instruments"); provided that (i) the foregoing documents will not apply to the indenture trustee or designated agent under any of the Debt Instruments or related documents, (ii) any indenture trustee or designated agent under any of the Debt Instruments or related documents will be required to file a proof of claim on account of claims for the repayment by the Debtors of principal, interest and other applicable fees and charges on or under the Debt Instruments, (iii) any person or entity that wishes to assert a claim arising out of or relating to a Debt Instrument, other than a claim for the repayment by the Debtors of principal, interest and other applicable fees and charges on or under the Debt Instrument, will be required to file a proof of claim, unless another exception herein applies and (iv) any indenture trustee or designated agent under any of the Debt Instruments or related documents will only be required to file proofs of claim asserting claims for the repayment of principal, interest and other applicable fees and charges on or under the applicable Debt Instruments or against the chapter 11 estates of the Debtor(s) that is (are) the primary obligor(s) on the underlying debt, and if such proof of claim identifies the Debtors, together with their respective chapter 11 case numbers, that are guarantors or otherwise secondary obligors under the applicable Debt Instruments, that proof of claim will be deemed to have been filed against the chapter 11 estate of each guarantor or secondary obligor;
- claims of one Debtor against any of the other Debtors;

## SPECIAL NOTICE TO RESIDENTS OF THE COLUMBIA AREA

As explained in the legal notice that appears above, Solutia Inc. and certain of its affiliates (collectively, the "Debtors") have filed cases under chapter 11 of the United States Bankruptcy Code. The Bankruptcy Court for those cases has set a deadline for submitting claims against the Debtors. If you have any claim against a Debtor related to exposure to any products, raw materials or contaminants listed below that were produced, manufactured, supplied, used or disposed of by Solutia or the former Monsanto Company (via Pharmacia Corporation), at the Columbia Plant now owned by Solutia and located at 2292 Monsanto Road, Columbia, Tennessee, you **MUST** file a proof of claim form with the Bankruptcy Court according to the instructions in the legal notice above by \_\_\_\_\_ or you will forever lose your rights to recover on your claim in the future.

On December 17, 2003, each of the Debtors commenced bankruptcy cases under chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York. As part of the bankruptcy process, the Debtors are required to provide notice to those who may have a claim caused by exposure to the following "Columbia Materials."

- The Columbia Plant produced elemental phosphorus and ferrophosphorus.
- Raw materials used at the Columbia Plant included phosphate ore, coke, coal and silica gravel.
- Contaminants that may be present at or around the Columbia Plant include inorganic chemicals such as arsenic and

fluoride in addition to the above materials.

The Columbia Plant contained asbestos-containing materials used for insulation and fireproofing. Asbestos was not, and is not, used in any products or raw materials produced, manufactured, supplied or disposed by the Columbia Plant. If you, or your property, or your spouse or immediate family member, was exposed to any of the Columbia Materials, and if that exposure directly or indirectly caused injury that becomes apparent either now or in the future, you may have a claim under various legal theories for damages. Among other things, personal injury damages could relate to physical, emotional or other personal injuries, such as personal or bodily injury, wrongful death, loss of consortium, medical monitoring, survivorship or proximate, consequential, general and special damages or punitive damages. Among other things, property-related damages could relate to cost of removal, diminution of property value or economic loss, or proximate, consequential, general and special damages or punitive damages. More information about the definition of "claims" that must be filed before the deadline is included in paragraph 5 of the legal notice that appears above.

To preserve your claim against the Debtors relating to your or your property's exposure to any of the Columbia Materials, you **MUST** file a proof of claim form before \_\_\_\_\_. If you do not file a proof of claim form, you will forever lose your right to bring any claim against the Debtors in the future. Filing a proof of claim form does not automatically entitle you to compensation.

For more information about the filing process and/or to receive a proof of claim form, please call 1-866-378-1484.

Counsel for the Debtors and Debtors in Possession

## SPECIAL NOTICE TO RESIDENTS OF THE MARTINSVILLE AND AXTON AREAS

As explained in the legal notice that appears above, Solutia Inc. and certain of its affiliates (collectively, the "Debtors") have filed cases under chapter 11 of the United States Bankruptcy Code. The Bankruptcy Court for those cases has set a deadline for submitting claims against the Debtors. If you have any claim against a Debtor related to exposure to any products, raw materials or contaminants listed below that were produced, manufactured, supplied, used or disposed of by Solutia or the former CFFilms/Courtauld/Martin Processing at the Martinsville Plant now owned by Solutia located at 4210 The Great Road, Fieldale, VA 24089 and the Axton Plant now owned by Solutia located at 47 Brands Drive, Axton, VA, you MUST file a proof of claim form with the Bankruptcy Court according to the instructions in the legal notice above by \_\_\_\_\_ or you will forever lose your right to recover on your claim in the future.

On December 17, 2003, each of the Debtors commenced bankruptcy cases under chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York. As part of the bankruptcy process, the Debtors are required to provide notice to those who may have a claim caused by exposure to the following "Martinsville/Axton Materials":

- The Martinsville and Axton Plants produced a variety of coated film products.
- Raw materials used at the Martinsville and Axton Plants have included polyester film and organic solvents.
- Contaminants that may be present at or around the Martinsville and Axton Plants include organic chemicals such as ethylene glycol, dipropylene glycol, n-methyl pyrrolidone, methylstyryl ketone, toluene, butyl acetate, n butyl acetate, ethyl acetate, PM acetate, IPA and THF.

• The Martinsville and Axton Plants contained asbestos-containing materials used for insulation and fireproofing. Asbestos was not, and is not, used in any products or raw materials produced, manufactured, supplied or disposed by the Martinsville and Axton Plants.

If you, or your property, or your spouse or immediate family member, was exposed to any of the Martinsville/Axton Materials, and if that exposure directly or indirectly caused injury that becomes apparent either now or in the future, you may have a claim under various legal theories for damages. Among other things, personal injury damages could relate to physical, emotional or other personal injuries, such as personal or bodily injury, wrongful death, loss of consortium, medical monitoring, survivorship or probate, consequential, general and special damages or punitive damages. Among other things, property-related damages could relate to cost of removal, diminution of property value or economic loss, or probate, consequential, general and special damages or punitive damages. More information about the definition of "claims" that must be filed before the deadline is included in paragraph 5 of the legal notice that appears above.

To preserve your claim against the Debtors relating to your or your property's exposure to any of the Martinsville/Axton Materials, you MUST file a proof of claim form before \_\_\_\_\_. If you do not file a proof of claim form, you will forever lose your right to bring any claim against the Debtors in the future. Filing a proof of claim form does not automatically entitle you to compensation.

For more information about the filing process and/or to receive a proof of claim form, please call 1-866-378-1484.

**DEADLINE FOR FILING CLAIMS AGAINST SOLUTIA AND THE OTHER DEBTORS:**

4. On \_\_\_\_\_, the Court entered an order (the "Bar Date Order") establishing \_\_\_\_\_ at 5:00 p.m. (prevailing Eastern Time) (the "Bar Date"), as the deadline for filing proofs of claim against the Debtors. The Bar Date applies to all claims against the Debtors that arose before December 17, 2003 except the Excluded Claims listed in paragraph 6 below. The Bar Date Order also sets procedures to be used for filing proofs of claim, which are summarized in this notice for your convenience.

5. You **MUST** file a proof of claim by the Bar Date if you have any claim against any of the Debtors that arose before December 17, 2003. The only exception to this requirement is for claims described in paragraph 6, below. The Bar Date Order provides that creditors do NOT have to file proofs of claim by the Bar Date for the types of claims and interests listed below in this paragraph 6 (collectively, the "Excluded Claims"). You should not file a proof of claim at this time for any Excluded Claim. The Court may enter one or more separate orders at a later time requiring creditors to file proofs of claim for some kinds of Excluded Claims and setting related deadlines. If the Court does enter such an order, you will receive notice of it. Excluded Claims include:

- claims that were listed in the schedules of assets and liabilities and statements of financial affairs, which were filed by the Debtors on March 2, 2004 and amended on \_\_\_\_\_ (as amended, the "Schedules"), but only if (i) the Schedules did not list those claims as "contingent," "unliquidated" or "disputed," and (ii) the holder of the claim does not dispute the Schedules' description of the amount or classification of the claim or the Debtor that is identified as owing the claim;

## SPECIAL NOTICE TO RESIDENTS OF THE SEATTLE AREA

As explained in the legal notice that appears above, Solutia Inc. and certain of its affiliates (collectively, the "Debtors") have filed cases under chapter 11 of the United States Bankruptcy Code. The Bankruptcy Court for those cases has set a deadline for submitting claims against the Debtors. If you have any claim against a Debtor related to exposure to any products, raw materials or contaminants listed below that were produced, manufactured, supplied, used or disposed of by the Monsanto Company (the "Monsanto Company"), at Monsanto's former Seattle Plant located on East Marginal Way, Seattle, Washington, you **MUST** file a proof of claim form with the Bankruptcy Court according to the instructions in the legal notice above by \_\_\_\_\_, or you will forever lose your rights to recover on your claim in the future.

On December 17, 2003, each of the Debtors commenced bankruptcy cases under chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York. As part of the bankruptcy process, the Debtors are required to provide notice to those who may have a claim caused by exposure to the following "Seattle Materials."

- The Seattle Plant produced vanillin and ethyl vanillin.
- Raw materials used at the Seattle Plant included waste sulfate liquor.
- Contaminants that may be present at or around the plant include organic chemicals such as bis(2-ethylhexyl) phthalate, or metals such as cadmium, arsenic, lead, mercury, selenium, thallium and vanadium.

• The Seattle Plant contained asbestos-containing materials used for insulation and fireproofing. Asbestos was not, and is not, used in any products or raw materials produced, manufactured, supplied or disposed by the Seattle Plant.

If you, or your property, or your spouse or immediate family member, was exposed to any of the Seattle Materials, and if that exposure directly or indirectly caused injury that becomes apparent either now or in the future, you may have a claim under various legal theories for damages. Among other things, personal injury damages could relate to physical, emotional or other personal injuries, such as personal or bodily injury, wrongful death, loss of consortium, medical monitoring, survivorship or premature, consequential, general and special damages or punitive damages. Among other things, property-related damages could relate to cost of removal, diminution of property value or economic loss, or premature, consequential, general and special damages or punitive damages. More information about the definition of "claims" that must be filed before the deadline is included in paragraph 5 of the legal notice that appears above.

To preserve your claim against the Debtors relating to your or your property's exposure to any of the Seattle Materials, you **MUST** file a proof of claim form before \_\_\_\_\_. If you do not file a proof of claim form, you will forever lose your right to bring any claim against the Debtors in the future. Filing a proof of claim form does not automatically entitle you to compensation.

## DEADLINE FOR FILING CLAIMS AGAINST SOLUTIA AND THE OTHER DEBTORS:

4. On \_\_\_\_\_, the Court entered an order (the "Bar Date Order") establishing \_\_\_\_\_ at 5:00 p.m., Prevaling Eastern Time (the "Bar Date"), as the deadline for filing proofs of claim against the Debtors. The Bar Date applies to all claims against the Debtors that arose before December 17, 2003 except the Excluded Claims listed in paragraph 6 below. The Bar Date Order also sets procedures to be used for filing proofs of claim, which are summarized in this notice for your convenience.

5. You MUST file a proof of claim by the Bar Date if you have any claim against any of the Debtors that arose before December 17, 2003. The only exception to this requirement is for claims described in paragraph 6, below. Acts or omissions that occurred before December 17, 2003 may give rise to claims subject to the Bar Date even if the claims may not have become known or based or liquidated until after December 17, 2003. You should not file a proof of claim at this time for any Excluded Claim. The Court may enter one or more separate orders at a later time requiring creditors to file proofs of claim for some kinds of Excluded Claims and setting related deadlines. If the Court does enter such an order, you will receive notice of it. Excluded Claims include:

- (a) claims that were listed in the schedules of assets and liabilities and statements of financial affairs, which were filed by the Debtors on March 2, 2004 and amended on \_\_\_\_\_ (as amended), the "Schedules", but only if (i) the Schedules did not list those claims as "contingent," "unliquidated" or "disputed," and (ii) the holder of the claim does not dispute the Schedules' description of the amount or classification of the claim or the Debtor that is identified as owing the claim;

## SPECIAL NOTICE TO RESIDENTS OF THE NITRO AREA

As explained in the legal notice that appears above, Solutia Inc. and certain of its affiliates (collectively, the "Debtors") have filed cases under chapter 11 of the United States Bankruptcy Code. The Bankruptcy Court for those cases has set a deadline for submitting claims against the Debtors. If you have any claim against a Debtor related to exposure to any products, raw materials or contaminants listed below that were produced, manufactured, supplied, used or disposed of by Solutia or the former Monsanto Company (in/via Pharmacia Corporation), at the Nitro Plant now owned by Solutia and located at 1 Monsanto Road, Nitro, West Virginia, at the Armour Creek Landfill located on Route 25, Nitro, West Virginia or the FiloArl Superfund Site located in Nitro, West Virginia, you MUST file a proof of claim with the Bankruptcy Court according to the instructions in the legal notice above by \_\_\_\_\_ or you will forever lose your rights to recover on your claim in the future.

On December 17, 2003, each of the Debtors commenced bankruptcy cases under chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York. As part of the bankruptcy process, the Debtors are required to provide notice to those who may have a claim caused by exposure to the following "Nitro Plant Materials," "Armour Creek Materials" and "FiloArl Materials" (collectively, the "Nitro Materials").

### Nitro Plant Materials

- The Nitro Plant produced rubber pre-vulcanization inhibitor, rubber vulcanizing agent, rubber vulcanization accelerators, rubber post-vulcanization inhibitor, rubber anti-oxidants and anti-ozonants, insoluble sulfur, thermoplastic rubbers, treated cellulosic fibers, synthetic methionine, ethoxyquin, sodium mercaptobenzothiazole and 2,4,5-T herbicide.
- Raw materials and other chemicals used at the Nitro Plant include sulfur and sulfur containing compounds, tertiary butylamine, p-phenylenediamine, acetone, methyl mercaptan, hydrogen cyanide, formaldehyde, lime, 2,4,5-chlorophenol, chloroacetic acid, carbon bisulfide, aniline, chlorine, sulfuric acid, caustic soda and paraminobiphenyl (PAB); hydrogenated polyphenyls and kerosene.
- Contaminants that may be present at or around the Nitro Plant include organic chemicals such as including 1,1-dichloroethane, carbon tetrachloride, halonitriles, vinyl chloride, trichloroethene and tetrachloroethene, and inorganic chemicals such as polycyclic aromatic hydrocarbons, phthalate esters, and dioxins/furans.
- The Nitro Plant contained used asbestos-containing materials used for insulation and fireproofing. Asbestos was not, and is not, used in any products or raw materials produced, manufactured, supplied or disposed by the Nitro Plant.

### Armour Creek Materials

- The Armour Creek Landfill is a closed industrial solid waste landfill formerly used by the Nitro Plant.
- Contaminants that may be present at or around the Armour Creek Landfill are similar to those that may be present at the Nitro Plant.

### FiloArl Materials

- The FiloArl Superfund Site is a former batch chemical production plant and sewage treatment plant.
- Contaminants that may be present at or around the FiloArl Superfund Site include pesticides such as aldrin, dieldrin, heptachlor, Alpha-BHC, Beta-BHC, heptachloroepoxide, MCPA, MCPP, 4,4 DDT and Gamma-chlorane; organic chemicals such as 1,2-dichloroethane, 1,2-dichloropropane, benzene, bromodichloromethane, phenyl ether; carbon tetrachloride, 1,1,2,2-tetrachloroethane, chlorobenzene, 1,1,2-trichloroethane, chloroform, tetrachloroethene, isoprene, 1,1-dichloroethene, trichloroethene, Bis (2-chloroethyl) ether, Bis (2-chloropropyl) ether, Bis (2-ethylphenyl)phthalate and vinyl chloride, and inorganic chemicals such as arsenic, iron and manganese.

If you, or your property, or your spouse or immediate family member, was exposed to any of the Nitro Materials, and if that exposure directly or indirectly caused injury that becomes apparent either now or in the future, you may have a claim under various legal theories for damages. Among other things, personal injury damages could relate to physical, emotional or other personal injuries, such as personal or bodily injury, wrongful death, loss of consortium, medical monitoring, survivorship or proximate, consequential, general and special damages or punitive damages. Among other things, property-related damages could relate to cost of removal, diminution of property value or economic loss, or proximate, consequential, general and special damages or punitive damages. More information about the definition of "claims" that must be filed before the deadline is included in paragraph 5 of the legal notice that appears above.

To preserve your claim against the Debtors relating to your or your property's exposure to any of the Nitro Materials, you MUST file a proof of claim before \_\_\_\_\_. If you do not file a proof of claim form, you will forever lose your right to bring any claim against the Debtors in the future. Filing a proof of claim form does not automatically entitle you to compensation.

For more information about the filing process and/or to receive a proof of claim form, please call 1-866-376-1484.

Any other claims with respect to a lease or contract must be filed by the Bar Date.

13. If the Debtors amend the **Schedules** subsequent to having given notice of the Bar Date as provided herein, the Debtors shall **give notice** of any amendment to the holders of Claims affected thereby and such holders **shall be** afforded the later of (a) the Bar Date and (b) 30 days from the date such notice is given (or **such** other time period as may be fixed by the Court) to file proofs of claim, if necessary, or **be barred** from doing so.

14. The Debtors may make **supplemental** mailings of Bar Date notices at any time up to 23 days in advance of the Bar Date, as **may be necessary** in situations, including where (a) notices are returned by the post office with **forwarding** addresses, (b) certain parties acting on behalf of parties in interest (e.g., banks and **brokers** with respect to bondholders and equity holders) decline to pass along notices to **these parties** and instead return their names and addresses to the Debtors for direct mailing, (c) **additional** potential claimants that become known as the result of the Bar Date noticing process **and** (d) similar circumstances arise; *provided*, *however*, the Debtors shall not be required to **provide** any additional notice to creditors where the General Bar Date Notice was mailed in **accordance** with the terms of this Order and such notice was returned to the Debtors as **undeliverable without** a forwarding address.

15. The Debtors, upon the **written consent** of the Creditors' Committee, are permitted to establish supplemental bar dates in these **chapter 11** cases after the Bar Date with respect to (a) creditors who were initially mailed notice of the Bar Date, but as to which a remailing of the

16. To establish a supplemental bar date, the Debtors must, upon 23 days' notice (a) file a supplemental bar date notice, which identifies the supplemental bar date and the claimants that are subject thereto and (b)(i) mail a General Bar Date Package (modified to include a supplemental bar date notice substantially in the form of the General Bar Date Notice), in accordance with the procedures set forth in section E(a) of the Motion, to creditors who are subject to the supplemental bar date; (ii) publish a site-specific notice (which indicates the supplemental bar date and is substantially in the form of the Site-Specific Publication Notices), in accordance with the procedures set forth in section E(b) of the Motion above, to provide notice to unknown creditors that may have a claim related to an Additional Plant and Disposal Site; and/or (iii) mail a General Bar Date Package (modified to include a supplemental bar date notice substantially in the form of the General Bar Date Notice), along with a site specific bar date notice (substantially in the form of the Site-Specific Mailing Notices), in accordance with the procedures set forth in paragraph 19 of the Motion, to creditors who are subject to the supplemental bar date and that may have a claim related to an Additional Plant and Disposal Site.

To the extent that Trumbull **requires** any additional assistance with maintaining, photocopying and transmitting proofs of claim, Trumbull may employ and pay necessary service providers, subject to prior approval of the Debtors, and obtain reimbursement from the Debtors for any such payments on the **same terms** applicable to its direct services.

18. The filing of a proof of claim or **proofs** of claim by the PBGC, on its own behalf or on behalf of the tax-qualified defined **benefit pension** plan sponsored or maintained by the Debtors, in *In re Solutia, Inc.*, Case No. 03-17949-PCB, shall be deemed to constitute the filing of such proof of claim or proofs of claim in **each** of the Debtors jointly-administered cases, 03-17949-PCB through 03-17962-PCB. Each claim the PBGC files in Case No. 03-17949 (PCB) shall be deemed to be a claim asserted **jointly and severally** against each of the Debtors whose cases are jointly administered under such **case number**.

19. Monsanto Company and Pharmacia Corporation (together, "Monsanto") is authorized to amend its Initial Proofs of Claim **after** the Bar Date to reflect additional claims that (a) Monsanto discovers after the Bar Date **as a result** of the review of proofs of claim filed against the Debtors by other parties and (b) **are based** upon the claims or legal theories set forth in Monsanto's Initial Proofs of Claim. The **deadline** for Monsanto to file any such amendments with the Court shall be 60 days after the **date** Monsanto receives from Trumbull (a) a copy of the Debtors' initial claims register after the **Bar Date** and (b) paper or electronic copies of the timely proofs of claim filed against the Debtors (**with the understanding** that the claims register and the proof of claim files may be supplemented **thereafter** from time to time to reflect additional claims that are received by Trumbull, and that such **supplementation** will not give rise to any further extension of Monsanto's time for filing **amendments** to the Initial Proofs of Claim). Trumbull is authorized to provide Monsanto with **information** related to proofs of claim filed in these chapter

11 cases, including the Debtors' claims register, and Monsanto shall reimburse Trumbull for any and all fees and expenses incurred by Trumbull related to providing Monsanto with this information.

20. Upon the advance written consent of the Debtors, a creditor's proof of claim may be filed without the writings upon which the claim is based, as required by Bankruptcy Rule 3001(c) and (d); *provided* that upon the request of the Debtors or any other party in interest in these cases, any creditor that received such written consent shall be required to transmit promptly such writings to the Debtors or the other party in interest, but in no event later than ten days from the date of such request.

21. The Debtors are authorized, in their discretion and upon the written consent of the Creditors' Committee, to extend the Bar Date by stipulation where the Debtors determine that such extension is in the best interests of the Debtors and their respective estates.

22. Except as expressly provided herein, nothing in this Order shall be deemed to prejudice the right of the Debtors or any other party in interest herein to dispute, or to assert offsets or defenses to, any Claim reflected on the Schedules as to amount, liability, classification or otherwise, and to subsequently designate any Claim as disputed, contingent or unliquidated.

23. This Court shall retain **jurisdiction** with respect to any matters, claims, rights or disputes arising from or related to the **implementation** of this Order.
